Discipline Hearings

Sean Reid – has a concern about JOCAP. Concerned about referees being given too much leeway in giving suspensions for the smallest infraction.

Response – Russ Sheppard – we're less aggressive with JOCAP to reduce the 'us vs. them' mentality. Education is key and cooperation with coaches and officials.

Rob Arden – only 1 discipline hearing. Previous seasons we wouldn't use video evidence – this past season video proved to be very useful and will likely be used in the future.

Russ Sheppard – we should have video use policy implemented for next year.

Shawn Donahue – no real issues

Jeff MacAulay – coaches need to make more use of the referee feedback form.

Provincial Championships and National Championships

Dave Showers – no box championships – cancelled due to Covid-19

Operating Policy – Proposed Changes
