CARRIED

It was moved by Brad Hara, seconded by Tricia Rachfall that all references to gender pronouns (i.e., him, his, she, her, her’s) contained in the BCLA Operating Policy are replaced with appropriate language (i.e., the athlete, the coach, the official, the individual, etc.). CARRIED

It was moved by Chris Scott, seconded by Dave Wilkie to add REGULATION 1: CODE OF CONDUCT, 1.02 that would read:

1.02 Conduct to Protect Children:
The safety, rights, and well-being of children is a priority of the BC Lacrosse Association (BCLA) and its membership. We nurture supportive relationships with children while balancing and encouraging appropriate boundaries. All staff, members and participants are expected to treat children with respect and dignity. They are to establish, respect and maintain appropriate boundaries with all children and families involved in activities and programs delivered by the BCLA and its members. All interactions and activities with children should be known to, and approved by, the member association and the parent/guardian of the child. For more information about Conduct to Protect Children - https://www.protectchildren.ca/en/about-us/.

CARRIED

It was moved by Curtis Smith, seconded by Nicole Kokoska to Amend REGULATION 7: PLAYER REGISTRATION, 7.05 that would read:

7.01 Out of Country residents may become members on an annual basis by applying for placement through a league and ratification by the appropriate Directorate. Potential members must apply to Minor Box/Senior Box/Field Directorate for approval, and must follow the applicable registration and transfer procedures. Within Minor Box and Youth Field, an Out of Country player is not permitted to displace a resident player; specifically, resident players cannot be released if Out of Country players are being accepted by a club (this does not speak to the calibre or tier that either player will achieve after association tryouts).

CARRIED

It was moved by Richard Bonnar, seconded by Don Scott to amend REGULATION 11: SUSPENSIONS AND DISCIPLINE, 11.01 that would read:
11.01 All BCLA members shall recognize that all disciplinary actions and suspensions given in the Field Directorate, Senior Directorate, Minor Directorate, Recreation Directorate, BC Lacrosse Coaches Technical Support Group, BC Lacrosse Volunteer Leadership Technical Support Group and the BC Lacrosse Officials Technical Support Group will be served in that Directorate or Technical Support Group, unless upon a recommendation of the residing body, it is deemed by the BCLA Executive that the infraction warrants a suspension from all sectors or any other sectors of the BCLA. An exception to this will be when a suspension in due to non-payment of funds owing to the BCLA Office, Team or League. When a suspension is for outstanding monies, the suspension will apply to all Directorates and Technical Support Groups. The only other exception will be that a Minor Directorate player is not permitted to play with a Senior Directorate team or Recreation Directorate team until the player’s suspension with the Minor team has been served and if a Minor Directorate player receives a suspension while playing up on a Senior Directorate team or Recreation Directorate team, the player is not able to play for their minor team until the suspension for the allotted number of games assessed in the Senior Directorate or Recreation Directorate has been served with the team the player is registered with. Coaches who receive a suspension in Minor or Senior or Recreation are not permitted to coach at any level until the suspension has been served in the level at which the suspension was given.

CARRIED

It was moved by Brad Hara, seconded by Chris Scott to add a new REGULATION 19: TRANSPORTATION BY VOLUNTEER DRIVERS that would read:

19.01 The BC Lacrosse Association (BCLA) recognizes that there will be times when private vehicles are used to transport athletes, coaches, referees and/or volunteers (other than within a family), and the BCLA values the involvement and commitment of volunteer drivers.

19.02 Any volunteer driver willing to provide transportation where needed for organized lacrosse activities, must review and comply with the following conditions:
a) The Insurance Corporation of British Columbia (ICBC) considers drivers to be "volunteers" as long as they are reimbursed only for reasonable expenses. A volunteer who is paid a wage or is reimbursed for that individual’s time is no longer considered a "volunteer" and is to contact his/her Autoplan agent as it may be necessary for the volunteer’s vehicle to be rated for "business use".

b) The driver must hold a valid British Columbia (ICBC) driver's licence (Novice Stage or Full Privilege only). **Volunteer drivers must be twenty-five (25) years or older.**

c) The vehicle must have standard insurance coverage with ICBC.

d) The vehicle must have one (1) seatbelt available for every passenger, including the driver. Drivers are responsible for complying with all child restraint requirements.

e) The number of persons being transported in the vehicle must not exceed the normal carrying capacity of that vehicle.

f) The vehicle must be maintained in sound mechanical order.

g) A vehicle with a seating capacity of more than ten (10) persons, including the driver, is classified by the Motor Vehicle Branch as a "bus". A "bus" used to transport athletes, coaches, referees and/or volunteers is required to have a valid Class 4 Driver’s License issued by the Motor Vehicle Branch. This will include volunteers' vehicles and rental vehicles used for athletes, coaches, referees and/or volunteers transportation.

h) Volunteers who rent vehicles to transport athletes, coaches, referees and/or volunteers must be aware of the appropriate requirements for driver’s license classifications, third party liability insurance limits, and bus permits, particularly when renting vehicles, which have a capacity to carry more than ten people, including the driver. Vehicle capacity, and not the number of passengers being carried, is the determining factor. Only drivers who are declared to the rental agency are allowed to drive (confirm minimum age requirement for operating a rental vehicle with the rental agency). Insurance coverage is voided if an undeclared driver drives the vehicle.
i) There is no medical, dental or disability coverage for volunteers. If a volunteer is injured by the actions of other people, the volunteer still has the right of common law action and in the case of automobile-related injuries, ICBC coverage may apply.

j) All incidents of injury or vehicle accidents must be reported to the individual’s respective Association/Club/League immediately.

_It was moved by Tony Spagnuolo, seconded by Greg Toll that this motion be amended by removing the sentence: Volunteer drivers must be twenty-five (25) years or older._ The original mover and seconder were asked for a friendly amendment which was approved. The amended motion was CARRIED.

_Re-number subsequent regulations._

REGULATION 16: CONCUSSION AWARENESS AND EDUCATION was WITHDRAWN by Tony Spagnuolo, BCLA VP – Administration/Finance. The BCLA Board will conduct further research and opinions, and will propose an alternative Concussion Awareness and Education policy when available.
