A copy of the original team registration form will be used to verify the declared team roster at the coaches meeting. In addition, Female Junior players may be eligible to participate with less than 4 games and must follow all processes as found in BCLA MD Operating Policy Regulation 12.05(a)(i).

- c) In addition, for call-ups to be eligible, they must have played 4 games in total at a higher division and/or calibre than the team they are registered with. Proof of game sheets must be provided to the Playoff Director. A maximum of two (2) "A" players may be added to a "B" or "C" roster after June 1<sup>st</sup> to play in their provincials. **EXHIBITION GAMES DO NOT COUNT TOWARDS ELIGIBILITY.**

- d) In zones where associations run "house league" teams and no sanctioned tiered leagues are run, the four-game rule will not apply for Provincials. Players added from house league teams or lower divisions must be sanctioned by the Zone Director.

In zones where tiering does not take place, in established Associations with four (4) or more years of playing experience, with more than thirty (30) players in the same division excluding players with "0" experience (i.e., PeeWee, Bantam, Midget), the first declared team for the Provincial Championship must declare at an "A" level. Bantam – 3 year times the number of registered players except the 3 most experienced players.  
Midget – 4 years times the number of registered players except the 3 most experienced players.

**Example (Peewee) 15 registered players**

Total number of years of experience is 24 years:  $(15-3) \times 2 = 24$

This must be sent to the League Commissioner by May 7<sup>th</sup> of the playing year. This calculation will be made again at the Provincial Championship at the time of verification and the team attending the Championship must still meet the calculation as noted.

\*\*IF a commissioner moves a team during the season to play in the "C" League, the years of experience rule does not apply (as per BCLA OP 5.03).

- h) The head coach of each team must arrange to have one team representative who is able to take responsibility for the team and to conduct the business of the meeting at the Coaches/Managers Meeting held prior to each provincial event. Failure of said representation at the meeting may result in the team's Head Coach being suspended for the team's first game.

- Not to exceed a maximum of twenty-two (22) players as per BCLA Operating Policy, Regulation 10.

Notification to the Provincial Playoff Director is required when using a goaltender from a lower caliber or division. Goaltenders may play in more than one championship with the approval of the Provincial Playoff Director and Minor Directorate Chair.
- b) Goaltenders who do not meet the above requirements who may be from the same association and of the same division and calibre may play in the event of injury, illness or suspension during the championship. This request must be made to and approved by the Provincial Playoff Director and Minor Directorate Chair with discussion from the Commission Chair of said team. Once the alternate goaltender has been used, a medical note from a physician will be required before the team's goaltender may play again. IN the event of suspension, the suspension must be completed. Goaltenders may NOT play for two teams at the same championship.
- c) In the event that teams do not have a goaltender available in their association as listed in (a) or (b) and they cannot bring their own goalie (s), a goaltender from another association within their zone may be requested and must be approved by the Provincial Playoff Director and Minor Directorate Chair with discussion from the Commission Chair of said teams.
- d) If a team's goaltender is at Provincials and unable to continue play due to injury/illness or other emergency, the BCLA Minor Directorate will attempt to assist in finding a replacement goaltender, preferably from but not limited to a lower division or calibre. If the replacement was due to an injury/illness, should the team's original goaltender be able to return to play, this will only be permitted with a physician's note and the goaltender that has been approved for replacement will not be permitted to continue playing for the team. **If the team's original goaltender is not available due to a suspension, a replacement goaltender will not be permitted and instead, one of the team's players will be required to dress as the team's goaltender.**
