(Area Code) (Phone #)

E-Mail:

Birthdate:

Month Day Year

Community Lacrosse Association you are registered with:

Division and level you are playing currently:

Please review the following guidelines prior to your application:

1. This application is specifically for female box lacrosse players who may be playing Minor Box Lacrosse regardless of whether or not there is a female team in their association, league or zone, and would like to play on an established female box lacrosse team on a “per occasion” basis.
2. The athlete must have approval from the community association head coach and president in writing (e-mail is acceptable).
3. This application does not apply to regular season, playoff or provincials games. It is for tournament play only.
4. Once an application is received and approved, a request will be made by the BCLA Minor Directorate Female Box Lacrosse Chair to find a team that is willing to accept the applicant. Parents/Players are not to try and determine which team they will participate with. No established team will be forced to accept an applicant.
5. The accepting team must inform the tournament co-ordinator and the respective division commissioner in writing a minimum of seventy-two (72) hours before the start of the tournament (e-mail is acceptable); the intention being to advise the coordinator that they will be bringing a team with female players not regularly on their team in order to allow the tournament coordinator to prepare for any questions from other teams (with support of Female Box Chair).

Please submit this application form to John Hamilton at jhammy@shaw.ca.
