TO: 2022 Canada Summer Games Team BC 17U Female & Male Athlete Participants

RE: Canada Games Council Covid-19 Vaccination Policy for the 2022 & 2023 Canada Games

Dear Canada Summer Games Team BC Box Lacrosse athlete Parents/Guardians:

Our Canada Summer Games Team BC 17U Female and Male Box Lacrosse athletes are in the next stage of training for our Team BC teams. On December 6, 2021, the Canada Games Council informed sport about the mandatory Canada Games Vaccination Policy.

Due to the Canada Summer Games Vaccination Policy, the Team BC program requires all athletes, coaches and team staff to provide proof of vaccination (two doses) in order to participate the Canada Summer Games. We require a commitment from the participating athletes' parent/guardian to confirm the athlete will be able to comply with the Canada Games Council vaccination policy.

The Team BC Box Coordinator and Team Managers will be required to confirm all athletes and team staff proof of vaccination (two doses). Full compliance of proof of vaccination to be by Feb. 28, 2022.

Team BC athletes, coaches and team staff NOT fully vaccinated (two doses) will not be permitted to participate in CSG Team BC Box Lacrosse activities or the 2022 Canada Summer Games.
