

BCLA Executive Director Announcement

As you are aware, after 26 years of service, Rochelle Winterton provided notice in November 2019 of her retirement from the position of the BCLA Executive Director as of April 30, 2020. We thank Rochelle for her above-and-beyond contributions to the BC Lacrosse Association and the sporting community at large.

The BCLA Board Executive Committee consisting of the President, Vice President and Secretary, along with an external Human Resource Consultant, has completed the process of hiring the incoming Executive Director. Many thanks to this committee for their time and diligence during this process.

We are pleased to announce that Jeff Gombar, current BCLA Marketing and Team BC Director has accepted the position of the BCLA Executive Director and will start his position as of May 1, 2020. Jeff will bring his 22 years of BCLA experience to this position, starting as the Technical Director, then the Marketing Director and Team BC Director, and we congratulate and wish Jeff the very best in his new leadership role. Rochelle has agreed to stay on to assist in a part-time advisory role through this transitional period.

We have reviewed the current roles and responsibilities of the staff and will be going through the process of hiring another position in the near future.

Regards,
Gerry Van Beek
BCLA President
