

BRITISH COLUMBIA LACROSSE ASSOCIATION YOUTH FIELD DIRECTORATE

2018-2019 COMMISSIONERS PACKAGE

The League Commissioners are responsible to and sanctioned by the League Chair and are ratified by the Field Directorate, with names submitted prior to September of the playing season. Commissioners are members of their League. League Commissioners are the people responsible for organizing all inter-association lacrosse, “Tier 1 and Tier 2” throughout their leagues. This volunteer position is a fairly demanding one, involving an above average command of management and communication skills. Each Commissioner is required to work closely in conjunction with his or her coaches and managers (the people who supervise the teams), and the League Chair. A Commissioner must have a current CLA Rule and Situation Handbook, the latest Field Directorate Disciplinary Guidelines, BCLA Constitution & Bylaws, and BCLA Operating Policy, Handbook, and current updates, as applicable, to both CLA Rule These documents are to be supplied by the BCLA through the League Chair.

Revised September 11, 2018

GENERAL DUTIES

The following decisions shall be made by the League Executive:

1. Team movement
2. Player movement
3. Removing a Commissioner

Should a final decision not be arrived at the issue will be forwarded to the Field Directorate.

A Commissioner is the person responsible for the day-to-day operations of a league.

While it is desirable to find Commissioners who are not members of a Youth Association Executive, in practical terms this is not always possible. Commissioners will often hold administrative positions in their local Association. **Under no circumstances, may a Commissioner handle a division in which their child plays.** Any perceivable conflict of interest must be identified at the start and contingencies established to deal with any problems that may arise. The Commissioner must maintain actual statistics to:

- Inform requesting teams of their league standings.
 - Maintain an up-to-date account of non-played games.
 - Maintain an up-to-date account of played games.
 - Maintain an up-to-date account of penalty occurrences.
 - Spot any serious imbalance of the competition level within your league division.
 - Teams found playing ineligible players will forfeit any points earned in games with these players participating and the coach will be referred to the Coaches Association for further discipline.
 - If the Chair or any position above the Chair should request relevant documents from any Commissioner, they must be supplied. All requests must follow the Field Directorate communications chart as attached.
1. The commissioner shall verify all game sheets with team lists. He/she will receive team lists of all teams in their division after the October 2nd deadline. After October 2nd and up to the November 30th deadline, he/she will be provided copies either by fax, email, or mail of player registration forms PRIOR to a player playing a game. Any player listed on a score sheet prior to the commissioner, League and BCLA Registrar receiving notice will be consider an ineligible player and the team is subject to loss of any points earned in that game.
 2. Periodically verify team registrations with the registrar.

A Commissioner must have a current Rulebook, a Situation Handbook the latest Youth Field Directorate Disciplinary Guidelines, BCLA Constitution & Bylaws, and BCLA Operating Policy. These documents are to be supplied by the pertinent League.

A Commissioner should acquaint themselves personally with all teams in their league.

- Hold a meeting of all your coaches and introduce yourself.
 - Make sure you get a list of all your coaches/managers complete with phone numbers.
 - Emphasize the importance of the score sheets being turned in to you within 48 hours as indicated on the game sheets. No score sheet -- no game -- no points.
 - Explain the Disciplinary Rules and how you expect them to be followed.
1. Suspensions -- Automatic and the first six games cannot be appealed.
 2. **Automatic means that coaches sit the player until they hear from you.** Advise the coach to phone after the game to make you aware there was a problem. The head referee is supposed to call, but the coach's call will be a double check.
 3. Commissioners are to investigate and review the incident and may adjust at their discretion.
 4. Phone calls -- advise your coaches if you have certain times that they can call you.

A Commissioner is encouraged to observe as many games within their League Division as possible.

A Commissioner must attempt to handle all cases of complaints or disputes in their league. If unsure, or conflict of interest, you must call the League Chair for resolution of the matter.

1. Keep accurate records of all suspensions.
2. Be consistent -- All players are treated equal. Don't let personal feelings or relationships get in the way.

At the end of the season, any outstanding suspensions will be presented at the final League meeting of the season for documentation. Any suspensions to be served by graduating U18 will be sent to the Vice Chair of Seniors.

All outstanding suspensions will be forwarded to the Field Directorate, as well as, the BCLA to be recorded.

Tournaments – The supervising league Commissioner will administer discipline for all tournaments; and ensure that disciplinary action is consistent with that administered during league play. If the League Commissioner is unavailable then the League chair will appoint a commissioner for that tournament.

MANDATORY

All suspensions for the current year will be forwarded to the Provincial Director seven days prior to the start of the Playoffs and Provincials on the Individual Player Suspension and Major Penalty Statistics form attached.

Playoffs -- Each League runs their own playoffs in order to send the team or teams to represent that league.

A Commissioner may be requested to arrange league playoffs, by the League Chair, within his or her league and either make the presentation of the awards (if applicable) themselves or appoint someone to do this.

Provincials -- Information is included and updates will be sent to all leagues.

A Commissioner shall submit a written year-end report to the Chairperson of their lacrosse league.

A Commissioner shall not become involved at a game, unless the referee for some reason has lost control and there is a danger of player injury. Otherwise, the referee is the person in control and if a problem arises in a game, waits until the referee makes his decision. It is not the Commissioner's place to try to referee a game from the stands.

SUSPENSIONS/DISCIPLINE

All Commissioners have to be sanctioned by the local league, ratified by both the BC Field Directorate and the BCLA Executive and these Commissioners are the only people allowed to hand disciplinary suspensions on infractions incurred throughout youth lacrosse.

All suspensions are to be made by the Commissioner in charge of the league. The following steps must be followed when a game report has been written.

The Commissioner should be informed by phone call or email from Head Referee or game official within 24 hours what the report says. (these reports are done online now)
Within 48 hours Commissioner must receive hard copy of written report or online report/email. (If not receiving these forms in timely please contact the League RIC or Vice Chair BCLOG.)

Once report is received, Commissioner should confirm the facts.

A Commissioner's FIRST call for clarification, if required, should always be to his/her respective Commission Chair.

Once a decision has been made the Commissioner will assess appropriate suspension per Field Directorate Disciplinary Rules.

Any discipline report regarding coaching or bench personnel must be sent to the BCLCG Vice Chair – Youth Field and copied to the Vice Chair of Youth.

Any incident that involves abuse of an official or conduct of an official must be cc'd to BCLOG Vice-Chair of Youth if applicable and a team representative.

The Commissioner will notify the association president of the suspension.

Any team who plays an ineligible player while under suspension will lose all points earned from games in which the ineligible player played. The Coach will be suspended for two (2) games for the first offence and for the second offence, an automatic referral to the BCLCG for the appropriate disciplinary action.

If a coach or manager receives a five game suspension the Commissioner may recommend (in writing) further suspensions to the BCLCA.

The Association President is responsible for notifying the coach and player. The written suspension report must be sent to the President, copying the Commission Chair, Vice Chair of Youth, BCLCG Vice Chair (if applicable) and a team representative within seven (7) days of the infraction or be declared invalid.

In no case may a Commissioner levy a suspension of more than five (5) games to any one person per game. He or she may recommend a further suspension in writing, which can only be authorized by the local League. The appropriate information must be documented on the Commissioners' discipline report. Appeals to the local League's suspension are to be made to the Field Directorate in writing as set out in the Operating Policy.

All Commissioners must ensure their coaches list suspended players on the score sheet, making note of the fact that they are suspended for that game. This helps to prove suspended players do not play and helps to keep track of the number of games they have sat out.

| | | |
|----------|----------------|------------------------|
| Example: | Brandon Murray | Suspended 1 of 3 games |
| | Brandon Murray | Suspended 2 of 3 games |
| | Brandon Murray | Suspended 3 of 3 games |

A suspended player will be removed from all team games until he has served his full suspension. This suspension must be served during the BCLA sanctioned tournaments and league games only. The suspended player cannot participate in exhibition games that occur during the suspended number of games. The suspended player must not appear in the dressing room or on or near the bench. He cannot participate in any official duties with his own team. (i.e.: Timekeeping, Scorekeeping, etc.)

DISCIPLINE REPORTS

Discipline reports are to be filled out accurately and completely. The Association President is responsible for notifying the coach and player. **The written suspension report must be sent to the Association President League Chair and Vice Chair of Youth within 10 days of the infraction or be declared invalid.**

After assembling all facts, it is necessary to analyze the situation in an unemotional manner. Do not react immediately. If in any doubt, call the League Chair for guidance.

Remember, suspensions are necessary, even though you may not personally share that philosophy, this is our mandate. Accordingly, a warning or trying to be Mr. Good Guy defeats the system. On the other hand, power trips and/or vendettas have no place in the system.

RESCHEDULED GAMES

The league schedules will include the final date of league play. No games will be scheduled or rescheduled after this date without prior approval of the Commissioner. Prior to rescheduling any games the Commissioner of the league has to be advised. Rescheduling games may seem to be a reasonably straight forward exercise but a surprising number of situations develop in which rival teams cannot (or will not) find a mutually agreeable time. In the case of two teams unable to agree on a rescheduled game time, the Commissioner may be required to mediate a rescheduled game time. In such mediations, the Commissioner must collect all pertinent information, such as why the original game was canceled; field times offered from both teams and then make a final ruling.

PROCEDURES FOR PLAYERS PLAYING DOWN A DIVISION

GUIDELINES

All players should register and play in the division and tier according to their birth date. However some circumstances make it very difficult for this to occur and exceptions can be made providing the proper steps are followed.

The only exceptions are based on size, skill level and any disabilities.

UNDER NO CIRCUMSTANCES WILL A PLAYER BE GIVEN PERMISSION TO PLAY DOWN ON AN "Tier I" TEAM.

No player who has been given permission to play down during the league will be allowed to participate as a player for the team in the Provincials.

PROCEDURES

1. All requests to play a player down a division must be made in writing and submitted to the appropriate League Executive for approval.
2. All requests must be submitted by the Association President or their designate and will be reviewed, assessed & approved or declined by the League Executive.

We must put fun back into the game of lacrosse, not only for the players, but also for all participants and fans.

We should strive to achieve equality between Associations while keeping in sight our games' competitive nature.

REMEMBER: Winning can be done with grace...and so can losing
