### **Youth Travel Grant Program**

---

The Vancouver Warriors are pleased to support the **LACROSSE ON THE MOVE** Youth Travel Grant Program. This fund has been created to assist teams and athletes who are traveling to provincial and national championships.

The **LACROSSE ON THE MOVE** Youth Travel Grant Program will help offset travel costs for youth field and minor box lacrosse member associations of the BC Lacrosse Association, with the priority funding to assist Minor Box and Youth Field lacrosse teams traveling to provincial championships.

#### **LACROSSE ON THE MOVE**

#### **Youth Travel Grant Fund Policy Guidelines**

The **LACROSSE ON THE MOVE** Committee comprised of the Vancouver Warriors and the BC Lacrosse Association have determined that grants from this fund will be available to teams traveling to youth field and minor box provincial championships; Team BC athletes who would not otherwise be able to afford to travel to Nationals; and Team BC athletes who would not otherwise be able to afford to travel to practices while preparing for National Championships.

The **LACROSSE ON THE MOVE** Committee will review applications and make decisions on the allocations of the **Youth Travel Grant Fund** that will offset travel costs with priority funding going to Minor Box and Youth Field Lacrosse member teams and to Team BC athletes who face financial barriers and would not be able to participate without this assistance.

#### **The travel grants will partially subsidize travel costs:**

1. Within British Columbia for minor box/youth field TEAMS traveling a distance of not less than 200 km, unless ferry travel is involved in the travel expenses. In the case of ferry travel, the team travel expense will be considered, only after proof that the team has applied for the BC Ferries Sport Experience Program Information: <http://www.viasport.ca/bc-ferries-sport-experience-program>. Successful team applicants will receive grant amounts between \$100-\$1,000 depending on the distance of travel and the amount of grant funds available. Funding applications are to be submitted to the BCLA Office no later than 7 (seven) days after the provincial championship event.
2. For Team BC athletes who face financial barriers to travel to National Championships. Successful individual applicants will receive grant amounts between \$250-\$1,000 depending on the distance of travel and the amount of grant funds available. Funding applications must be made as soon as the athlete is chosen for a Team BC program.
3. For Team BC athletes who face financial barriers to travel for training purposes to get ready for National Championships. Successful individual applicants will receive grant amounts between \$100-\$500 depending on the distance of travel and the amount of grant funds available.
