1. **Call Meeting to Order and Welcome**
   Dave Wilkie, Chair of the Minor Directorate called the meeting to order at 7:05pm. Dave Wilkie then welcomed everyone to the Annual General Meeting and introduced the various members of the Executive of the Minor Directorate in attendance. Dave Wilkie, Chair spoke briefly explaining the purpose of tonight’s meeting is to hear the proposed changes to the BCLA Minor Directorate Operating Policy and the Rationale for these changes to be voted on in the Saturday morning meeting. Dave Wilkie announced that there were speakers for tonight to report what has taken place in 2010 and what we can look forward to in the 2011 Season.

2. **Amendment to Agenda**
   - Friday – add Report by David Soul, BCLA Treasurer
   - Saturday – add new business and business from the floor

3. **BCLOA Report by Sean Lehman**
   Sean spoke very briefly on the issues surrounding the retention of Level 2 Officials and the continued and ongoing issues of official abuse. The BCLOA will continue to work on these issues for 2011 with the support of the Coaching Association.

4. **BCLCA Report by Dennis Quigley**
   Dennis spoke on the Doorman Certification process that was brought in for the 2010 season and the BCLCA’s wish that this become a stepping stone to having more coaches certified.
   Dennis also indicated the BCLCA and BCLOA have worked together for the 2010 season and that this of course will continue for the 2011 season.
   Dennis remarked on the absence of Bill McBain and how much he will of course be missed not only for his expertise but also as a friend of many. There have been other vacancies have kept the BCLCA executive busy but the 2011 will see the following people take on positions on the executive:
   - Chair – Mike Marshall
   - Vice Chair, Senior – Dennis Quigley
   - Vice Chair, Minor – Derek Milani
   Dennis remarked on the ongoing issue of abuse of officials and promised that the BCLCA will continue to monitor these problems in their efforts to try to decrease the instances of abuse.
   Dennis then opened the floor for questions which centred on the Doorperson Certifications:
   - No registration number – mostly a manual process now where Darcy at the BCLA Office keeps a record of names of individuals that have successfully taken the course
   - Valid for 5 years
   - Players do not have to take course and can still be on the bench operating doors without the ‘door certification’ – as players they can be suspended for inappropriate actions

5. **Team BC/Nationals Report by Ron McQuarrie**
   After 3 silvers (Peewee, Bantam and Female Bantam) and a 4th place finish by Midgets the Team BC Executive count this as a successful season and Team BC is...
proud of the performance of our players because of the simple fact that BC numbers are ½ of that of Ontario we look forward to the coming season. Huge thanks are extended to Alan Shaw and Coquitlam for hosting Midget Nationals. Team BC would also like to thank Kamloops Minor for their help with a very successful 5 year agreement in hosting the Peewee Main camp. Thanks are of course also extended to the balance of the try out and main camp host associations ~ without the efforts of the fine volunteers in each of these associations these camps would not be possible.

In the upcoming season, with the addition of Female Midgets there will be 5 Box teams and Team BC will again be looking for try out and main camp host associations for the 800 athletes attending 23 camps that will need to be held this year. Mike Marshall will return as the 2011 Team BC Coordinator this year, but there will also be the addition of 5 Division Coordinators this season. Darcy Rhodes will return as the Technical Coordinator. Team BC will once again be calling on the assistance of the Minor Directorate and Minor Associations as they look for venues (dates to follow. There will be changes to programs based on what was learned this past season and the experiences of past years.

6. BCLA Treasurers report by David Soul
David spoke briefly on the surplus of funds this year and how this is mainly because of the timing of receipt of the funds. He was also proud to point out that the BCLA Executive were able to secure funding under 5 different funding categories and the BCLA received more funding than was originally anticipated. Early indications from Victoria show that funding will increase next year, but the process may change and instead of being issued according to reported needs, funding become a ‘per capita’ process/system.
David urged all associations to make sure that your MLA’s are sent thanks for gaming funds received along with of course a request that funds being sent may not be enough next year with the increased costs we are seeing across the board; and that funds should be issued earlier as well. MLA’s are always looking for good public relation opportunities and David urged Associations to invite MLA’s to attend your local lacrosse events (tournaments and games) and build relationships with them for the future well being of your local associations.

7. On-Line Registration presentation by Linda Hargitt
Linda explained the pilot project that took place last season with 3 Minors Associations (Burnaby, Richmond and Semiahmoo) over the course of the 2010 season and the different things that were learned during the year. Linda has receive much positive feedback from parents and moving forward will be making changes based off of what was learned this past year.
Associations are required to answer questions where by the database will calculate discounts, late fees, try out fees, volunteer cheques, clothing, etc. This is preloaded and customized for each Associations needs. Parents then complete player info, parents’ info. They are required to view and check off acceptance of codes of conduct for both players and parents. They complete the payment process (as deemed acceptable by each association; i.e. credit card, pay pal, cheque) and then check off the waiver and complete an electronic signature.
The Registrar will then have these players sorted into two categories; new players and returning players that are migrated into the database and onto teams. There are costs associated for associations; $125 onetime fee, $1.25 fee per player (whether they register online or not) and if credit card payments are accepted a $2.00 fee per transaction.

BCLA is working on tax receipts which will be a two step process that will need to be completed by Association Registrar and Treasurer and they are determining how to process refunds. The process to set this up can take up to two months, depending on which payment process associations decide to use.

8. **Minor Directorate Reports will be reviewed Saturday**

9. **Minor Provincials Report will also be reviewed Saturday**

10. **Proposed amendments were reviewed and briefly discussed**

11. **House Keeping Items for tomorrow**

   - Membership applications were provided at the conclusion of the meeting and members were advised to bring them to the Saturday meeting.

(a) TIE-BREAKER RULE – FULL ROUND ROBIN
In the event of a tie in points in playdowns and Provincial Championships, the Goal Average Formula will be used to determine the advancing team(s). After the completion of the Round Robin, final standings shall be determined as follows:

(i) Two teams tied, the winner of game or games between the two teams advances. If still tied, the Goal Average Formula will be used to break the tie.

(ii) Three or more teams tied, if one team has defeated the other teams with which it is tied after round robin play, that team shall advance. If this is not possible, the team with the best goal average advances. If two teams are required to advance, the goal average formula is calculated only once and the two teams with the best goal averages move on.

(iii) In the event that two or more teams are tied with the same number of points and cannot be separated by the Goal Average Formula, the team with the greater number of goals scored against the team or other teams which it is tied shall be declared the higher team. If still tied, the team which scored the first goal in the tied game is to be declared the winner of that game.

GOAL AVERAGE FORMULA
GF divided by the sum of GF + GA = Goal Average

NOTE: Only goals scored in the games between the teams involved in the points tie shall be used in the Goal Average Formula.
