PREAMBLE

The History of Lacrosse

By Michael Kanentakeron Mitchell

In Canada, we have two officially recognized sports by an Act of Parliament - hockey as a winter sport, and lacrosse as a summer sport. The game of lacrosse has historical cultural roots in this country.

The origin of the game of lacrosse started right here in North America among the various tribes and nations who played this game as a way of acknowledging the Creator's life forces, honoring the Elders and their nation long before Europeans settled on the new world. Native American nations were playing the game of lacrosse in one form or another with few basic rules. Sometimes, an entire valley would be utilized for a ball and stick event with participation numbers in the hundreds. When the first Europeans witnessed such an event, they thought it was a game of war between two tribes due to the enthusiasm exhibited by the players. What was really happening was an issue or difference between tribes being settled through a ball and stick game that later became known as 'lacrosse'. This was due to the fact that the curved netted stick reminded the Jesuits of a "bishop's crosse". The Iroquois called this game "Tewaarathon" or "Teiontsikwaeks. The Ojibways called this game "Bagattaway". Other tribes basically translated their game to mean ball and stick.

As more settlers arrived from Europe, they began to take notice of the game being played by the First Nations. In Canada, most of the cities and towns during the 1800's could boast of their own lacrosse team. During the 1860's, an Englishman named George Beers transformed the game of lacrosse into a modern sport with specific rules and regulations. This was followed by a series of lacrosse organizations that grew nationally as well as internationally.

In Canada, by the middle 1930's, lacrosse had transformed from field lacrosse to inside arena (box lacrosse). Over the past century, the game of lacrosse has been governed by the Canadian Lacrosse Association who have been mandated to establish the rules of conduct for lacrosse. Lacrosse grew as a sport in U.S. colleges and universities at the turn of the century following an introduction of the sport by Canadian and native teams that played exhibition games with their American counterparts. In 1869, a Mohawk team from Kahnawake traveled to England and played the game before Queen Victoria. The sport of lacrosse was also introduced to other Commonwealth countries like Australia and New Zealand.

Today, lacrosse is the fastest growing sport in Canada, with every corner of the country, including the far north, having taken great interest in the sport. The Canadian Lacrosse Association has kept up with the trend by introducing new Rules of Play for Box Lacrosse. We hope every lacrosse organization and interested bodies will take time to familiarize themselves with the new direction.

It is with honor and great pride to introduce this new booklet on behalf of the Canadian Lacrosse Association to all lacrosse participants in Canada.

Floor Diagram and Line Markings for CLA Play

- Notes:
1. All lines should be 5.08 cm (2") in width and white in colour.
 2. Dotted line specs: 5.08 cm (2") in width, 30.48 cm (12") in length, 10.16 cm (4") spacing between lines.
 3. The dotted line does not touch any part of the goal crease markings.
 4. The 5.08 cm (2") dot is marked to the centre of the 60.96 cm (2') radius face-off circle.
 5. The goal crease is a circle cut off 1.83 m (6') behind the goal line.
 6. The centre zone is 6.71 m (22') wide.

RULE 1 – THE BOX

- (a) Lacrosse shall be played in an area called a box. The governing Executive shall specifically sanction any discrepancies between the box and the rules or the dimensions in the Floor Diagram.
- (b) The box shall be enclosed by a wall known as the boards which may be constructed of wood, plastic or any other material as approved by the C.L.A. Measured from the surface of the floor, the boards shall not be more than 1.22 m (4') nor less than 1.07 m (3' 6") in height. The boards facing the playing surface shall be uniform in colour and free from any obstructions or objects that may cause injury to players.
- (c) The boards shall be topped by a surrounding fence of wire netting or other suitable material to a minimum height of 1.83 m (6') on the sides and 3.64 m (12') on the ends to keep the ball in play.
- (d) All doors shall open away from the playing surface.

SITUATION 1 – Rule 1a

? What is the procedure when you find problems with the arena, e.g. improper lines, signal or timing device malfunction, arena size?

A All problems with the arena or equipment should be detailed on an Arena Condition Report Form and included with the official score sheet.
Any freestanding posts, beams or plexiglass supports must be padded. This shall be checked prior to game, and the game shall not start with dangerous items exposed. The Referee shall request padding before the game starts or resumes.

SITUATION 2 – Rule 1b & c

? What is the procedure when netting hangs from the ceiling at the ends of the arena and comes down on the playing side of the glass?

A Move the netting to the outside of the glass and consider anything that touches the netting out of bounds. If it is not possible to move the netting, anything above the glass shall be considered out of bounds.
NOTE: All netting is out of play due to concerns over safety and liability issue

? What is the procedure when pieces of paper are taped on the spectator side of the glass behind the net to help the home team shooters by providing a target?

A Have the paper removed as it is providing an unfair advantage.

SITUATION 4 – Rules 1 & 31

? What is deemed out of bounds when one end of the arena has one level of glass or screen and the other has two levels?

A Anything above the first level of screen or glass at both ends will be considered out of bounds when not equal.

RULE 2 – THE PLAYING SURFACE

- (a) All lines shall be 5.08 cm (2") in width and white in colour. The locations of all lines are as shown in the Floor Diagram.
- (b) The playing surface shall be divided into a defensive zone, a centre zone and an attacking zone by the two lines parallel to the goal lines. What is one team's defensive zone is their opponent's attacking zone.
- (c) The goal crease shall consist of the circular line around the goal and all space within the flat circle. The area inside the goal crease may be painted a solid colour other than white.

SITUATION 1 – Rule 2a

? What is the procedure when you find painted lines at the bench area are not of equal length and are longer than the bench area?

A Painted lines for the exchange at the bench area must be of equal length and no longer than the bench area. An Arena Condition Report must be sent to the appropriate governing body.

SITUATION 2 – Rule 2c

? What do you do when you find the goal crease radius to be incorrect or the back line not a minimum of 1.83 m (6') from the goal line?

The goal crease area is to be a circle with a 2.74 m (9') radius cut off flat 1.83 m (6') behind the goal line to the back of crease.

A An Arena Condition Report must be sent to the appropriate governing body.

Corrective action must be taken as soon as possible.

Obviously if both teams are at the arena, you point the problem out to both teams and inform them that the ruling shall be as follows: if the shot originates from behind the net and both feet are behind the back line (extended) the goal is disallowed and possession is awarded to the goalkeeper. If the ball-carrier has at least one foot ahead of the back line (extended) the goal counts.

RULE 3 – THE PLAYERS' BENCH

The box shall be provided with two uniform players' benches. The players' benches shall be on the same side of the playing surface, opposite the penalty bench, and shall be physically separated from each other. Each players' bench shall have a door at each end which opens inward into the bench and shall be large enough including seats or benches to accommodate a team. Except when a player is entering or exiting the bench, the doors shall be closed and latched. Failure to do so shall result in the assessment of a bench minor penalty. In the exchange area, any penalty under this rule, **when in the act of changing**, shall also be assessed a game misconduct penalty. **(Modified 2013)**

SITUATION 1 – Rule 3

? What happens when one team continually leaves the door to the players' bench open or unlatched?

the bench closest to that end.

In all disputes of benches or goals to defend, the Referees shall determine who has which bench and who defends which goal.

SITUATION 3 – Rule 3

? What happens when the offensive team pulls their goalkeeper for an extra attacker and the goalkeeper stands in the open door of the bench?

SITUATION 4 – Rule 3

? **Should A1 be assessed a game misconduct penalty if he/she commits a penalty infraction against ball-carrier B1, or when both players are competing for a loose ball, while in the exchange area?**

A **No, because neither A1 nor B1 are in the act of making a player exchange. The penalty against A1 should be assessed in the normal manner. (Added 2013)**

Bench minor penalties require the removal of any player on the offending team (other than the designated goalkeepers) without substitute for two minutes, unless terminated early by a goal. **(Modified 2015)**

SITUATION 4 – Rule 12f & 12i

? What do you do if the goalkeeper's sweater, with or without extension, hangs down below the crotch or has wings under the arms and could obviously aid in stopping the ball.

A Treat the sweater as illegal equipment if a request is made by the opposing team captain. Assess a minor penalty to the goalkeeper and ensure that it is corrected. There can be only one stick measurement, equipment examination or equipment measurement per stoppage in play.

SITUATION 5 – Rule 12i

If a request for inspection is made at the correct time (stoppage of play) and by the correct person (captain or assistant captain) and the goaltender is on the floor, the referee will ask which article of the goalie's equipment is to be inspected. The captain or alternate captain can only pick one article:

Since there is no universal measuring device, the inspection can only look for visual conformity of the equipment and check for the add-ons

If - in minor lacrosse - there is a CLA approved exemption certificate regarding the proper sizing of equipment, it must be attached to the game sheet at the beginning of the game and the opposing team made aware that it exists. If a CLA approved exemption certificate cannot be produced immediately, there is no exception certificate for the purposes of the inspection.

Once it is established an inspection will be conducted, one referee will accompany the goalie along with a representative from each team, to the referee's room. The other referee will remain on the floor and monitor the remainder of the players (who should be kept at their benches).

In the referee room, the referee will review the requested article of the equipment on BOTH sides of the body and check for conformity to the body and

to make sure there are no pieces added to the equipment that would assist the goalie in stopping the ball (see 12a and 12e). If the referee determines that the equipment is illegal, the penalty will be administered when everyone returns to the floor. They will instruct the goalie that it must be corrected (unless it is the second time and the goalie is removed from the game). In the event that the inspection does not produce any evidence of non-conformity or add-ons for the purpose of assisting to stop the ball, a delay of game penalty will be administered to the team requesting the inspection when the referee returns to the floor. **(added 2015)**

RULE 13 – PLAYER'S EQUIPMENT

a)	In a tie game with first overtime pending?	a)	No, there is enough time in the first overtime to serve the penalty in its entirety.
b)	With no overtime pending?	b)	Yes, there is not enough time to serve the penalty in its entirety and therefore the penalty shot is awarded.

If a penalty is assessed under Rule 36 (c) with 2:00 minutes remaining in the 3rd period or 1st overtime period (and less than 2 penalties are currently being served), the penalty can be served in its entirety and no penalty shot is awarded.

SITUATION 4 - Rule 36c

A check from behind after a stoppage in play will be a major plus a game misconduct or match penalty.

Any goals scored by a player/goalkeeper, while in his/her opponent's crease, shall be disallowed and possession awarded to the opposing team in their crease.
- (e) No goal shall be allowed if a player/goalkeeper of the attacking team is in the crease. A goalkeeper penalty shall be served by a player who

was on the floor at the time of the infraction.

<h2>RULE 44 – FALLING ON THE BALL/BALL OUT OF SIGHT</h2>
--

- (a) A minor penalty shall be assessed to a player/goalkeeper who, while the ball is outside the crease, deliberately withholds the ball from play (except as in rule 43(f)). A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. If the player/goalkeeper accidentally falls on the ball, the ball goes out of sight of the Referee, or the ball gets inadvertently trapped against the floor or boards by a stick, play shall be stopped and possession awarded to the non-offending team.
- (b) If any defending player except the designated goalkeeper deliberately falls on or gathers the ball into his/her body when the ball is within the goal crease, a penalty shot shall be awarded to the non-offending team.

SITUATION 1 – Rule 44a

? What is the call if a player is inadvertently withholding the ball from play?

A Award possession to the non-offending team. A ball-carrier may not hold his/her stick to his/her body or any part of the box with the purpose of preventing an opponent from dislodging the ball.

SITUATION 2 – Rule 44a

A Assess a minor penalty. A player may not deliberately withhold the ball from play in any manner, lie on a loose ball, or trap a loose ball.

RULE 45 – FIGHTING

(a) A major penalty *and game misconduct penalty* shall be assessed to any player/goalkeeper who fights. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2015)**

(b) If there is an instigator or aggressor in a fight, **a major penalty** plus any other penalties shall be assessed to the offending player(s). Where an instigator penalty is assessed to a combatant, the referee shall determine whether the non-offending player shall be assessed a game misconduct under 45 (a). **(Modified 2015)**

(c) A game misconduct penalty shall be assessed to a player/goalkeeper who restarts a fight after once being separated.

NOTE: *This does not apply to a player/goalkeeper defending himself/herself.*

(d) A game misconduct penalty shall be assessed to any player/goalkeeper involved in fighting off the playing surface.

(e) Should a fight start on the floor, those players not involved will immediately move to their respective benches. Should a fight start near the players' bench(s), those players not involved will move to their respective goal creases. Should a fight break out near the goal crease, the goalkeeper will also move to his/her players' bench. Failure to do so may result in the offending player(s)/goalkeeper(s) being assessed game misconduct penalties.

NOTE: *This includes between periods and the end of the game.*

SITUATION 1 – Rule 45b

?

What are the definitions of instigator and aggressor *penalties*?

A

INSTIGATOR: *The instigator to a fight shall be defined as the player who, by his/her own actions or demeanor, demonstrates at least one of the following criteria: distance traveled in order to begin fighting; gloves off first; first punch thrown; substitution directly from bench in order to begin fight; menacing attitude or posture; verbally inciting or instigating another player; gestures or threats; conduct in retaliation to a prior game incident.*

NOTE: Not all fights will have a clear instigator. An instigator penalty should only be assessed when the referee is certain that at least one of the defined criteria has been committed by the offending player/goalkeeper. (Modified 2013)

AGGRESSOR: Any player who continues to fight after the Referees have attempted to separate fighters, attempts to restart a fight or refuses to stop fighting after being so instructed.

NOTE: Aggressor penalties should be called when the player continues to fight after being directed to stop. If both players are still willing combatants, then the aggressor should not be called. (Modified 2015)

SITUATION 2 – Rule 45a

? *What penalty(s) are assessed to two player/goalkeepers' involved in a fight?*

A *Both player/goalkeeper(s) will be assessed a 5 minute major for fighting and a game misconduct, plus any other penalties assessed. (Added 2013)*

SITUATION 3 – Rule 45b

? *What penalty(s) will be assessed to Team A player/goalkeeper who is the clear instigator/aggressor in a fight with Team B player/goalkeeper?*

A *The “clear” instigator/aggressor player/goalkeeper will receive a 5 minute major & game misconduct for the instigator/aggressor (Rule 45 b), 5 minute major & game misconduct for fighting (Rule 45a), and a game misconduct for 2 major penalties (Rule 77c).*

The intent of this new rule is to ensure the Clear instigator/aggressor is penalized for starting the fight or continuing to fight after being clearly directed to stop by the officials. (Added 2013)

SITUATION 4 – Rule 45a-b

? *During a fight which Team A player/goalkeeper is the clear instigator/aggressor, Team B player/goalkeeper fights back to protect themselves. What penalties will be assessed?*

A *The clear instigator will receive a 5 minute major & game misconduct for the instigator/aggressor (Rule 45b), 5 minute major & game misconduct for fighting (Rule 45a), and a game misconduct for 2 major penalties (Rule 77c). Team B player/goalkeeper will only receive a 5 minute major for fighting (Rule 45b). (Modified 2015)*

The intent of this rule is to protect the player/goalkeeper who is just defending themselves and is not a willing combatant in the fight.

Officials need to be diligent to ensure the willing combatants are assessed the Game Misconduct under Rule 45a for fighting. (Added 2013)

SITUATION 5 – Rule 45a-b

? *Team A player/goalkeeper attacks a Team B player/goalkeeper and starts to throw punches and fights with the Team B player/goalkeeper who does not fight back. As the officials try to break up the one-sided fight, the Team A player/goalkeeper does not stop and keeps throwing punches and continues to fight. What penalties are assessed to the Team A player/goalkeeper?*

A *Team A player/goalkeeper will be assessed the penalties under Rule 45 a and b for being the clear instigator. The Team A player/goalkeeper will be assessed the 5 minute major & game misconduct for the instigator (Rule 45b), 5 minute major & game misconduct for fighting (Rule 45a), and a game misconduct for 2 major penalties (Rule 77c). The Team A player/goalkeeper will then be assessed the 5 minute major & game misconduct for the aggressor (Rule 45b).*

In total the Team A player /goalkeeper will have three (3) majors and 4 game misconducts due to their actions.

The intent of this situation is to show that a player/goalkeeper can

receive both an instigator and an aggressor penalty under Rule 45b. Officials need to be diligent to ensure the one-sided fights are broken up quickly, however also need to ensure the clear instigators and aggressors in fights are penalized. (Added 2013)

SITUATION 6 – Rule 45a-b

? *A player/goalkeeper from Team A instigates an altercation with a player/goalkeeper from Team B. Initially, the player from Team B does not defend himself/herself but eventually begins to fight back. Once the officials intervene, the player/goalkeeper from Team B does not cease fighting and continues to land punches on the Team A player (who has ceased fighting). What penalties should be assessed?*

A *Team A Player/goalkeeper: 5 minute instigator & game misconduct (Rule 45b), 5 minute fighting & game misconduct (Rule 45a), , plus additional game misconduct for 2 major penalties (Rule 77c).*

Team B Player: 5 minute fighting (no game misconduct as this player defended themselves) (Rule 45b), 5 minute aggressor & game misconduct (Rule 45b), additional game misconduct for 2 major penalties (Rule 77c).

The intent of this rule situation is to show the penalty results for the player/goalkeeper who instigates a fight and what the player/goalkeeper would receive who becomes the aggressor in a fight and what penalties are assessed. (Added 2013)

SITUATION 7 – Rule 45a-b

? *What penalties are assessed to two players who willingly engage in a fight (no instigator) and B1 becomes the clear aggressor based on the definition?*

A *A1 is assessed a major for fighting and a game misconduct under rule 45A. B1 is assessed the Major for Fighting and a Game misconduct under rule 45A. B1 will also be assessed the Major for being the Aggressor and the Game Misconduct along with the additional Game Misconduct for having 2 majors in a game.*

NOTE: The wording under Rule 45B, which would remove the game misconduct for A1 when there is an instigator, would not be imposed here as both are clearly willing combatants. The intent of the Aggressor penalty is to ensure the clear aggressor in a fight is penalized, which this situation covers. (Added 2013)

SITUATION 8 – Rule 45d

? What is the call if a player/*goalkeeper* gets into a physical altercation with non-playing bench personnel?

A Assess both the player/*goalkeeper* and the *non-playing* bench personnel a game misconduct, complete a special incident report *and forward it to the appropriate governing body*. (Modified 2013)

SITUATION 9 – Rule 45d

? What is the call if a player/*goalkeeper* at the players' bench, penalty bench or on the floor is receiving verbal abuse from a spectator and he/she:

- a) Swings his/her stick at a spectator and misses.
- b) Swings his/her stick at a spectator and hits him/her.
- c) Climbs into the stands but does nothing.
- d) Climbs into the stands and fights.

A In all cases assess a game misconduct to the player/*goalkeeper* and complete a special incident report *and forward it to the appropriate governing body*. Ensure that the spectator is removed. (Modified 2013)

RULE 46 – FREE HAND

- (a) A minor penalty shall be assessed to a defensive player/*goalkeeper* who uses a free hand to push or manipulate an opponent or an opponent's stick. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. (Modified 2013)
- (b) If a ball-carrier pushes off a defending player/*goalkeeper* or his/her stick

with a free hand, possession shall be awarded to the non-offending team.

SITUATION 1 – Rule 46a

? Does it matter if a player pushes off with the front or back of his/her hand or arm?

A If a player uses his/her free hand to ward off a defender, possession shall be awarded to the non-offending team.

The ball-carrier's hand, arm, or other part of his/her body may only be used to stop the stick check, and it must not be used to hold, push, or control the direction of the movement of the checker's stick or body.

SITUATION 2 – Rule 46b

? What is the call if player B1 reaches around the ball-carrier A1 and hits his/her stick with his/her hand, knocking the ball loose? At no time does he/she touch the ball with his/her hand or grab his/her opponent's stick.

A Assess a minor penalty for a free hand check to B1.

A goal shall be scored if the ball is deflected into the goal by striking an attacking player/goalkeeper, who shall get credit for the goal. A goal shall not be allowed if the ball is kicked or otherwise deliberately directed by any means other than a stick unless it is then deflected into the net by any defending player other than the designated goalkeeper, in which case no assist(s) shall be given. Following a goal one of the Referees shall conduct a face-off unless possession is to be awarded under Rule 85.

- (e) In case of an obvious error in awarding a goal or an assist it shall be corrected promptly, but changes shall not be made after the Referees sign the official score sheet.

SITUATION 1 – Rule 47

? The ball hits a support post inside the goal frame (either down the centre of the net or around the goal post) and this prevents the ball from entirely crossing the line. Is this a goal?

A Yes. The support post prevented the goal and it should be counted.

SITUATION 2 – Rule 47

? What do you do when a goal is scored just before the buzzer sounds but the clock runs out before the Game Timekeeper can stop the clock?

A Even though there is no time left on the clock, the whistle is considered to have been blown simultaneously with the horn. If the ball was in the net prior to the horn blowing, the goal shall count.

Record the goal on the official score sheet as 1 second left in the period.

Do not conduct a face-off. (Possible safety issue)

SITUATION 3 – Rule 47

? A goal is apparently scored and the Lead Referee doesn't see the ball in the net. What should happen next?

A If the Trail Referee does not stop play immediately and signal a goal, play will continue.

Where there are appointed Goal Judges and the red light has been turned on, the Referees must stop play and consult with the Goal Judge.

The Referees are not permitted to ask for any other opinions (Timekeepers, Official Scorer, etc.).

NOTE: *Incidental contact with the helmet should be disregarded.*

MINOR PENALTY – The Referee, at his discretion shall assess a minor penalty, based on the degree of violence of the check, to a player/goalkeeper who high sticks an opponent.

MAJOR PENALTY – The Referee, at his discretion shall assess a major penalty, when moderate contact is made with the stick on helmet/neck, or on top of shoulder/ collar bone. A check that initially hits the shoulder pad and makes moderate contact or significant deceleration prior to contact on head/neck area should be assessed as a major penalty.

GAME MISCONDUCT – The Referee, at his discretion shall assess a major penalty and game misconduct, when excessive and partial to full extension of arms and/or solid contact with stick above shoulder on neck/ head. A

check that glances off the shoulder pad with minimal deceleration should be assessed as a major penalty and a game misconduct.

MATCH PENALTY – The Referee, at his discretion, shall assess a match penalty if, in his judgment, the player or goalkeeper was reckless or endangering his opponent by high sticking.

RULE 51 – HOLDING

A minor penalty shall be assessed to a player/goalkeeper who impedes an opponent's progress by holding with his/her hands, arms or legs. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2013)**

SITUATION 1 – Rule 51

A A player may not hold an opponent with the portion of the stick, which is not between the hands.

SITUATION 2 – Rule 51

RULE 54 – INJURED PLAYERS

- (a) When a player is injured, play shall not be stopped until the play in progress is completed. If his/her opposing team is in possession when play is stopped, they shall retain possession to restart play. In all other situations play shall restart with a face-off.

- (b) When play is stopped because of an injury, the injured player (excluding the designated goalkeeper) must leave the playing floor prior to restarting play, and must remain there until play resumes.
- (c) If a goalkeeper sustains an injury or becomes ill, he/she must be ready to resume play immediately or be replaced by a substitute.
- (d) When a goalkeeper gets hit flush on the facemask and it is obvious that he/she is injured, play shall be stopped immediately.

NOTE: *In Minor Lacrosse, when a goalkeeper gets hit on the facemask, helmet or throat guard, play shall be stopped immediately and restarted with possession to the goalkeeper in his/her crease. If the ball enters the goal directly off the goalkeeper's facemask, helmet or throat guard, the goal shall count.*

SITUATION 1 – Rules 54 & 28

? If play is stopped for an injury and it becomes obvious that the player is faking the injury to obtain a whistle or stop play, what should be done?

A The Referee may assess an unsportsmanlike minor penalty.

SITUATION 2 – Rule 54b

NOTE: *The dotted line will apply in Pee Wee and all lower divisions. In Bantam and all higher divisions, the reference to the dotted line will be replaced by the defensive zone.*

(a) When players/goalkeepers are pursuing a loose ball, checking the

opponent's stick and body contact are allowed. If the contact is a direct attempt to drive the opponent off the ball while making no attempt to play the ball, possession shall be awarded to the non-offending team for minor interference.

- (b) A defending player/goalkeeper may interfere with the progress of an attacking non-ball-carrier using his/her body or a push checking motion with his/her stick provided the non-ball-carrier is inside the dotted line in Pee Wee and lower and the defensive zone in Bantam and higher.
- (c) A minor penalty shall be assessed to a player/goalkeeper who deliberately prevents a player/goalkeeper who has dropped his/her stick from regaining possession of it. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.
- (d) If a player/goalkeeper who is checking a player/goalkeeper is interfered with by means of a moving screen, possession shall be awarded to the non-offending team. The only permissible moving screen is when both opponents are moving in exactly the same path and same direction and the player/goalkeeper in front slows up or stops. In all other situations, the player/goalkeeper setting the screen shall be stationary in a normal standing position when contact is made and may not push off.
- (e) In all screening situations contact is expected. If the contact is excessive, it shall be penalized under the appropriate rule.
- (f) A minor penalty shall be assessed if any player/goalkeeper or non-playing personnel, on the players' bench or penalty bench, interferes with the movement of the ball or an opposing player/goalkeeper while play is in progress. If the designated goalkeeper had been removed from the playing floor, and a player/goalkeeper of the side attacking the unattended goal or the ball is interfered with by any opposing player/goalkeeper or non-playing personnel on the players' bench or the penalty bench, a goal shall be awarded to the non-offending team. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

SITUATION 1 – Rule 55f

? A goalkeeper leaves the floor for an extra attacker, but leaves his/her stick standing up in the goal and: (A – C)			
A The proper call is: (A – C)			
?		A	
a)	an opposing player shoots and misses the goal?	a)	Stop play and assess the goalkeeper a delay of game penalty.
b)	an opposing player shoots, hits the stick and the ball does not go into the goal?	b)	Stop play and award a goal to non-offending team
c)	you notice the stick while play is in the other end?	c)	Signal a delayed penalty to the offending team.

SITUATION 2 – Rule 55f

? Team B goalkeeper is on the bench for an extra attacker. Team A is in possession. A member of team B (or bench personnel) interferes with the progress of any player on team A. This interference occurs from the players' or penalty bench. What is the call?

A Award a goal to team A.

Note: For a goal to be awarded in this situation the interference by the illegal person shall mean contact with any player on the playing surface or the ball.

Any interference from the bench is penalized as follows:

- If the offending team has possession, assess a minor penalty immediately.
- If the non-offending team has possession signal a delayed minor penalty.
- If the non-offending team has an unobstructed path to the goal with possession of the ball, award a penalty shot.
- If the non-offending team has an unobstructed path to the goal and the goalkeeper has been removed, award a goal.
- In all other cases assess the offending team a minor penalty.

SITUATION 3 – Rule 55d

? Is a pick and roll legal?

A Yes, an offensive player may pick and roll off a defensive player. The picking player may not push off the defensive player in any manner that provides the offensive team with an advantage.

SITUATION 4 – Rule 55d

? What criteria should be used when considering minor interference?

A The player being interfered with must have a reasonable chance to obtain the ball. If that player could not have obtained the ball had the interference not existed, do not award him/her possession. The offending player's illegal actions must be the reason that the player was unable to get the ball.

The offending player's action prevented a defensive player from having a reasonable opportunity to be involved in the play.

If the non-offending team is about to get possession of the ball, then minor interference is not called.

Note: Too many plays are called back by a minor interference call away from the play. If it is severe enough to be called when away from the play, it must be a penalty. If it is not severe, it is a "no call". Minor interference is called on loose ball situations and pick plays.

SITUATION 5 – Rule 55 NOTE

? Can minor interference be called when a player cross-checks or otherwise fouls an opponent from behind?

A NO. This is a penalty and must be called a penalty.

SITUATION 6 – Rule 55

?		A	
a)	What happens if player A1 (at the players’ bench) is obviously on his/her way to the players’ bench for substitution. Player B1 intentionally prevents him/her from getting on the bench. Player A2 (substitute) comes off the bench?	a)	Assess B1 an interference penalty.
b)	What happens if player A1 is attempting to leave the players’ bench to enter the play and is prevented from exiting the bench by player B1?	b)	Assess B1 an interference penalty.
c)	What happens in a) and b) above if player A1 and B1 are both within the exchange area when the contact occurs	c)	Assess B1 an interference penalty and a game misconduct

RULE 56 – INTERFERENCE BY SPECTATORS

- a) If a player/goalkeeper is interfered with by a spectator, the play in progress shall be completed if that player’s team is in possession. Play shall restart with a face-off. If the opposing team is in possession, play shall be stopped and they shall retain possession to restart play. A report of the incident shall be forwarded to the appropriate governing body.
- b) In the event that objects are thrown on the playing floor, which interfere with the progress of the game, the play shall be stopped and restarted with the team retaining possession.
- c) In the event that a spectator grabs or interferes with the ball while it is in play, the play shall be stopped and restarted with a face-off.

RULE 57 – KICKING A PLAYER

A major or match penalty at the discretion of the Referee shall be assessed to a player/goalkeeper who kicks or attempts to kick an opponent. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2013)**

NOTE: *In Minor Lacrosse, an attempt to kick an opponent, which does not make solid contact, shall be penalized by a major penalty and a game*

RULE 58 – KICKING THE BALL

SITUATION 1 – Rule 64

? Does a player have to hit an opponent to be penalized for slashing?

A NO. Any player who swings the stick at an opponent whether in or out of range shall be penalized for slashing.

SITUATION 2 – Rule 64

? Can a slash be called a match penalty?

A Any slash or swing with intent to injure shall be called under Rule 30 Reckless and Endangering Play.

SITUATION 3 – Rule 64

A Referees are instructed to judge his/her call on the intent of swing. Not by the size or force of swing.

SITUATION 4 – Rule 64

? Can a player slash a non-ball-carrier?

A No. Non-ball carrying offensive players cannot be slashed in any way at any time.

SITUATION 5 – Rule 64

? When is a follow through slash not called?

A Any player unintentionally striking an opponent who is moving into the range of the follow through of a shot or pass shall not be penalized.

RULE 65 – SPEARING

A major or match penalty at the discretion of the Referee shall be assessed to a player/goalkeeper who spears or attempts to spear an opponent. (**Modified 2013**)

NOTE: *If a player is assessed a major or match penalty under this rule, time must be served by any player (other than the designated goalkeepers). If a goalkeeper is assessed a major or match penalty under this rule, time must be served by a player who was on the floor at the time of the infraction.*

NOTE: *Spearing shall be defined as stabbing an opponent with the mouth of the stick. Spearing may also be treated as Reckless and Endangering Play (Rule 30).*

NOTE: *Attempt to spear shall include all cases where a spearing gesture is made, regardless of whether body contact is made or not.*

NOTE: *In Minor Lacrosse, an attempt to spear an opponent, which does not make solid contact, shall be penalized by a major penalty and a game misconduct.*

SITUATION 1 – Rule 65a

? What is the definition of a spear?

A Spearing shall be defined as stabbing an opponent with the mouth of stick - Spearing may also be treated as Reckless and Endangering Play (Rule 30).

SITUATION 2 – Rule 65a

? What is the definition of a spike/spear check?

A A spike/spear check is defined as a check made by holding one hand on

the butt-end of the stick and the shaft and head of the stick are brought down over the opponent's head/shoulder, or an attempt is made to strike the opponent's stick from the side.

This type of check is illegal and is to be ruled an infraction under Rule 65, Spearing. The attempt shall be called as a major penalty. If there is contact with the opponent's body with the head of the stick, a match

penalty shall be assessed. The spearing motion of the check is covered under the explanatory notes of Rule 65.

SITUATION 3 – Rule 65a

? What is the difference between an attempted spear and a spear?

A Attempt to spear shall include all cases where a spearing motion is made regardless of body contact or not. A spear that includes any contact shall be called as a match penalty. Any attempt with no contact shall be assessed a five-minute major penalty. (Plus a game misconduct in Minor Lacrosse)

<h2>RULE 66 – TEN SECOND RULE</h2>

- (a) When a team is short-handed they shall advance the ball into their attacking zone within ten-seconds or possession shall be awarded to the non-offending team.

NOTE: *Short-handed means the team is below numerical strength of its opponent on the playing floor due to penalty minutes being served.*

- (b) When the short-handed team is in possession of the ball in their attacking zone, and they cause the ball to go out of the attacking zone in any manner except from a shot on goal, it shall be immediately recovered by or possession awarded to the non-offending team. The ball-carrier may carry the ball outside the attacking zone provided neither the ball nor ball-carrier make contact with the floor in the center or defensive zones (including the line).

SITUATION 1 – Rule 66a & b

? What happens if Team A has advanced the ball into their attack zone with the ten-second rule in effect and: (A – F)			
A The proper call is: (A – F)			
?			
A			
a)	Player A1 (the ball-carrier) is pushed back over the line with his/her feet touching or crossing the line?	a)	Possession to B
b)	Player A1 drops the ball, his/her stick comes together with player B1's stick and the ball goes back over the line?	b)	Possession to B

e)	Player A1's stick with the ball in it goes back over the line?	e)	Let play continue.
f)	The ball-carrier is pushed back over the line but passes the ball before he/she touches the floor?	f)	Let play continue.

SITUATION 2 – Rule 66b

? When does the whistle sound when the ball goes back over the line?

A As soon as the ball crosses the line unless it is obvious that the non-offending team will acquire possession immediately. Do not allow the ball to bounce down the floor into an empty net.

SITUATION 3 – Rule 66 a & b

? Team A is short-handed in their own end. When does the ten seconds terminate?

A When ball-carrier has advanced into attacking zone and both feet are clearly across line or ball-carrier passes to a teammate who is inside the attacking zone.

RULE 67 – THIRD PERSON IN ALTERCATION

A game misconduct penalty plus any acquired penalties shall be assessed to a player/goalkeeper who is the first to intervene in an altercation then in progress. **(Modified 2013)**

SITUATION 1 – Rule 67

- ?** Does a fighting penalty have to be assessed in order to assess a game misconduct for third person in?
- A** No, but a minor, major or match penalty must have been committed (and eventually assessed) to at least one of the original participants.

SITUATION 2 – Rule 67

- ?** Can a player/goalkeeper enter an altercation, and grab his/her own player or act as a peacemaker?
- A** No, as this may incite others to enter the altercation. Assess the penalty regardless of the reason for the player/goalkeeper having entered the altercation.

RULE 68 – THIRTY SECOND RULE

- (a) The offensive team (unless short-handed) shall be required to take a shot on goal within thirty-seconds of gaining possession. Failure to do so will result in the Offensive Timekeeper sounding a horn. The ball shall be immediately recovered by or possession awarded to the non-offending team.

If, while short-handed, a team's goalkeeper or the substitute player for their goalkeeper enters the attacking zone, the Offensive Timekeeper shall start the thirty-second clock and the thirty second rule shall remain in effect for that possession.

NOTE: *In Minor Lacrosse, the offensive team shall be required to take a shot on goal within thirty seconds of gaining possession. Failure to do so will result in the Offensive Timekeeper sounding a horn. The Referees will*

stop the play and award possession to the non-offending team.

NOTE: *The thirty-second horn does not stop the play, only the referees' whistle stops the play.*

NOTE: *A shot on goal shall be defined as the ball making contact with the goalkeeper (while the goalkeeper is within the crease), goal posts or crossbar prior to crossing the goal line. The shot must originate from the front or side of the goal.*

- (b) Any stoppage in play (except for time outs or a ball lodged in a stick) shall cause the thirty-second clock to reset.
- (c) The thirty-second clock shall reset when the defensive team gains possession.
- (d) It shall be ruled that the referee's whistle sounded simultaneously with the timekeeper's horn if a goal is scored (i.e. the goal shall be disallowed if the horn sounded before the ball was in the goal).
- (e) Any shot that hits the goal-post / crossbar or the goalkeeper and goes out of bounds will be awarded back to the offensive team. **(Added 2015)**

Note: In Minor lacrosse, if the ball strikes the goalkeeper in the helmet/facemask and goes out of bounds, the ball shall be awarded to the goalkeeper (Added 2015)

SITUATION 1 – Rule 68a

? What constitutes a shot from the front or side of the net?

A The shot must have originated from the front or side of the goal, i.e. the ball must not be behind the goal line when it leaves the shooter's stick. The shooter's feet are not taken into consideration.

SITUATION 2 – Rule 68a

? Define “possession” as it relates to this rule.

A Possession starts when a team gains control and possession of the ball. Possession ends when:

- a shot on net is taken.
- the other team gets possession.
- the whistle is blown except for a ball lodged in a stick or the offensive team requests a time out.

NOTE: Review section (d). It is a shot **on** goal, not a shot **at** goal. A goal shall be disallowed if the horn sounds before the ball is in the net.

NOTE: The thirty-second horn does not stop the play; only the referee's whistle will stop the play.

NOTE: A shot on goal shall be defined as the ball making contact with the goalkeeper (while the goalkeeper is within the crease), goal posts or crossbar prior to crossing the goal line. The shot must originate from the front or side of the goal.

SITUATION 3 – Rule 68a

? What should the Offensive Timekeeper do when there is less than thirty seconds remaining in the period and a new possession of the ball has been signaled by the Referees?

A There are two options: Shut off the clock, or hold it at 30 seconds for the remainder of the period.

RULE 69 – THROWING STICK

(a) A major penalty shall be assessed to a player/goalkeeper who throws a stick or any other object at an opponent or the ball. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

(Modified 2013)

(b) A bench minor penalty shall be assessed when a stick is thrown from the players' bench to the playing area for the purpose of replacing a broken or dropped stick. Bench minor penalties require the removal of any player on the offending team (other than the designated goalkeepers) without substitute for two minutes, unless terminated early by a goal.

NOTE: *If the stick is picked up, the player/goalkeeper receiving the stick shall be assessed a minor penalty plus a ten-minute misconduct penalty and the bench penalty shall be waived. Time served penalties shall be served by any player (other than the designated goalkeepers). The goalkeeper penalties shall be served by two players who were on the floor at the time of the infraction, one to serve the minor and one to serve the misconduct after the minor expires.*

(c) In all other cases, a player/goalkeeper shall be assessed a ten-minute misconduct penalty for throwing a stick or any other object. If the stick or

other object is intentionally thrown out of the playing area, in addition to the ten-minute misconduct penalty, the Referee shall report the incident to the appropriate governing body. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

NOTE: *When a player discards the broken portion of a stick, tossing it to the side of the playing floor (and not over the boards) in such a way that will not interfere with the play or an opposing player, no penalty shall be assessed.*

- (d) If a ball-carrier in the attacking zone, having no opponent to pass other than the designated goalkeeper, is fouled from behind by a stick or any other object being thrown thus preventing a reasonable scoring opportunity, a penalty shot shall be awarded when the play in progress is completed.
- (e) If the designated goalkeeper has been removed from the floor for a substitute player, and an opposing ball-carrier in the attacking zone, having no opponent to pass, is fouled from behind by a stick or any other object being thrown thus preventing a reasonable scoring opportunity, the Referee shall award a goal to the non-offending team.

SITUATION 1 – Rule 69

? A player on the floor throws a stick to his/her teammate/goalkeeper who has lost or broken his/hers.

A The player would be assessed a two-minute minor for throwing a stick. If the teammate/goalkeeper picks up the stick that person would be assessed a minor and ten-minute misconduct for picking up the stick illegally (Rule 34c); the penalty against the player throwing the stick would then be waived.

Note: A major penalty for throwing the stick is only assessed if the player throws the stick at the ball or an opponent.

SITUATION 2 – Rule 69

? When does the penalty occur when a stick (or any other object) is thrown?

A A delayed penalty is signaled the instant the stick (or object) leaves the hand of the person who throws it.

If a stick is thrown at a player on a breakaway, and the thrown stick causes the player to lose his/her scoring opportunity, a penalty shot is awarded and the major penalty assessed.

A stick thrown off the bench by an unidentified player or any bench personnel results in a bench minor.

RULE 70 – TIME OUTS

- (a) Each team shall be allowed one sixty-second time out in the regular playing time of the game. The time out shall be granted by the Referee only if requested by a player on the floor during a stoppage in play or when his/her team has possession of the ball. If a team was in possession, or being awarded possession of the ball when time out was called, they shall retain possession to restart play. In all other cases, play shall restart with a face-off. When time out is called with play in progress, neither the ten-second clock nor the thirty-second clock will reset when play restarts.
- (b) At the Junior and Senior levels, two (2) time outs per game are allowed. Only one time out may be used per period. If the game goes into overtime and a team has a time out left, it may be used.
- (c) If a team is granted a time out to which it is not entitled, possession shall be awarded to the non-offending team and the time out shall not be allowed.

SITUATION 1 – Rule 70a

? What happens to the 30-second clock when a time out is called?

A When time out is called with a play in progress, the thirty-second clock will not be reset when play restarts (except in Situation 2). Be alert, check immediately. Remember, same team, same time.

Time outs can be called at any time, even immediately after a 2-minute warm up for the substitute goalkeeper.

RATIONALE FOR THE NEXT 4 SITUATIONS

Each Junior and Senior team is only allowed 2 time outs in a game and only one per period. The team may use up one of its time outs to get their power play on the floor or gain a new ten-second or thirty-second count. They can only do it twice in a game and this leaves it up to the coach to decide which way to proceed.

SITUATION 2 – Rule 70a

- ?** What happens when a time out is called by team A while there is a delayed penalty being called against team B?
- A** This terminates the delayed penalty and the penalty is assessed to team B. Team A is allowed time out and play resumes with team A in possession with a new 30 seconds.

SITUATION 3 – Rule 70a

- ?** What happens when a time out is called by team A while there is a delayed penalty being called against team B and it is brought to your attention that team A has already been granted a time out in that period or has used up their two time outs?
- A** This terminates the delayed penalty and the penalty is assessed to team B. Team A is not allowed time out and play resumes with a face-off.

SITUATION 4 – Rule 70a

- ?** What happens when team A is short-handed one person in their own end and there is a delayed penalty being called against team B and team A calls a time out?
- A** This terminates the delayed penalty and the penalty is assessed to team B. Team A is allowed the time out and play resumes with team A in possession with a new 30 seconds. (Team A is no longer short-handed so the 10 seconds is no longer in effect)

SITUATION 5 – Rule 70a

- ?** What happens when team A is short-handed two persons in their own end and there is a delayed penalty being called against team B and team A calls a time out?
- A** This terminates the delayed penalty and the penalty is assessed to team B. Team A is allowed the time out and play resumes with team A in possession with a new 30 seconds. (Team A is still short-handed so a NEW 10 seconds is granted)

SITUATION 6 – Rule 70b

? Can a team take an unused time out in the 2nd overtime period?

A In CLA play downs time out may be carried over into the 2nd or subsequent overtime period(s).

SITUATION 7 – Rule 70a

? What happens to the 10-second clock when team A is short-handed in their own end and they request a time out?

A Provided there is no violation of SITUATION 3 above, the time out will be allowed and the ten –second clock will not be reset when play restarts.

RULE 71 – TRIPPING

- (a) A minor penalty shall be assessed to a player/goalkeeper who uses his/her stick or any part of his/her body to trip an opponent. This includes a defending player/goalkeeper dropping in front of an opponent. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2013)**
- (b) If a ball-carrier in the attacking zone, having no opponent to pass other than the designated goalkeeper, is tripped or otherwise fouled from behind, thus preventing a reasonable scoring opportunity, a penalty shot shall be awarded to the non-offending team when the play in progress is completed.
- (c) If the designated goalkeeper has been removed from the floor and an opposing ball-carrier, in the attacking zone, having no opponent to pass, is tripped or otherwise fouled from behind, thus preventing a reasonable scoring opportunity, the Referee shall award a goal to the non-offending team.

RULE 72 – UNNECESSARY ROUGHNESS

- (a) A minor or major penalty shall be assessed to a player/goalkeeper who uses unnecessary roughness during a game. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2013)**

- (b) A major penalty shall be assessed to a player/goalkeeper for grabbing the facemask, helmet, or chinstrap, hair pulling or head butting. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

SITUATION 1 – Rule 72

? When should a major penalty be assessed for pulling the facemask or chinstrap?

A This penalty should only be assessed when the player is pulling on the helmet in a fashion that may cause injury or he/she is using it for any kind of advantage. Simply grabbing the helmet does not justify assessing this penalty.

SITUATION 2 – Rule 72

? What is the call when one player incites and/or instigates unnecessary roughness?

A A player must be assessed the only penalty or more penalty time than the retaliator. For example a single minor to the player that started the altercation or a second minor to that player and a single minor to his/her opponent.

<h2>RULE 73 – WRAP AROUND</h2>

A minor penalty shall be assessed to a player/goalkeeper who impedes the progress of an opponent with his/her stick and/or arms in a holding fashion. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. **(Modified 2013)**

SITUATION 1 – Rule 73

? What is the definition of a legal wrap around check?

A A wrap around is legal if player reaches around the opponent and makes stick-on-stick contact.

RULE 74 – INFRACTIONS

The four types of infractions are:

- Awarded Possession;
- Penalties;
- Penalty Shots; and
- Awarded Goals.

(a) The five types of penalties are:

- Minor Penalties;

RULE 75 – POSSESSION AND AWARDED POSSESSION

- (a) No player/goalkeeper shall be allowed within 2.75 m (9') of a player/goalkeeper being awarded possession.
- (b) Possession shall not be awarded to a player/goalkeeper within 4.58 m (15') of the opponent's goal crease.
- (c) Play shall start with a whistle.

SITUATION 1 – Rule 75a & 41a

? What is the procedure if player B1 is standing too close to player A1 who has been awarded possession?

A Instruct B1 to give A1 at least 2.75m (9'). If B1 refuses to back off assess a minor penalty to him/her for delay of game. Play restarts with possession to A1.

SITUATION 2 – Rule 75

? What is the call if team A player will not back up 4.58m (15') from team B goal crease when awarded possession?

A Assess the player a 2-minute delay of game. Resume play with possession to Team B.

SITUATION 3 – Rule 75 & 41a

? What is the procedure if player B1 is standing on the edge of the crease and an opposing player/goalkeeper is awarded possession inside the crease?

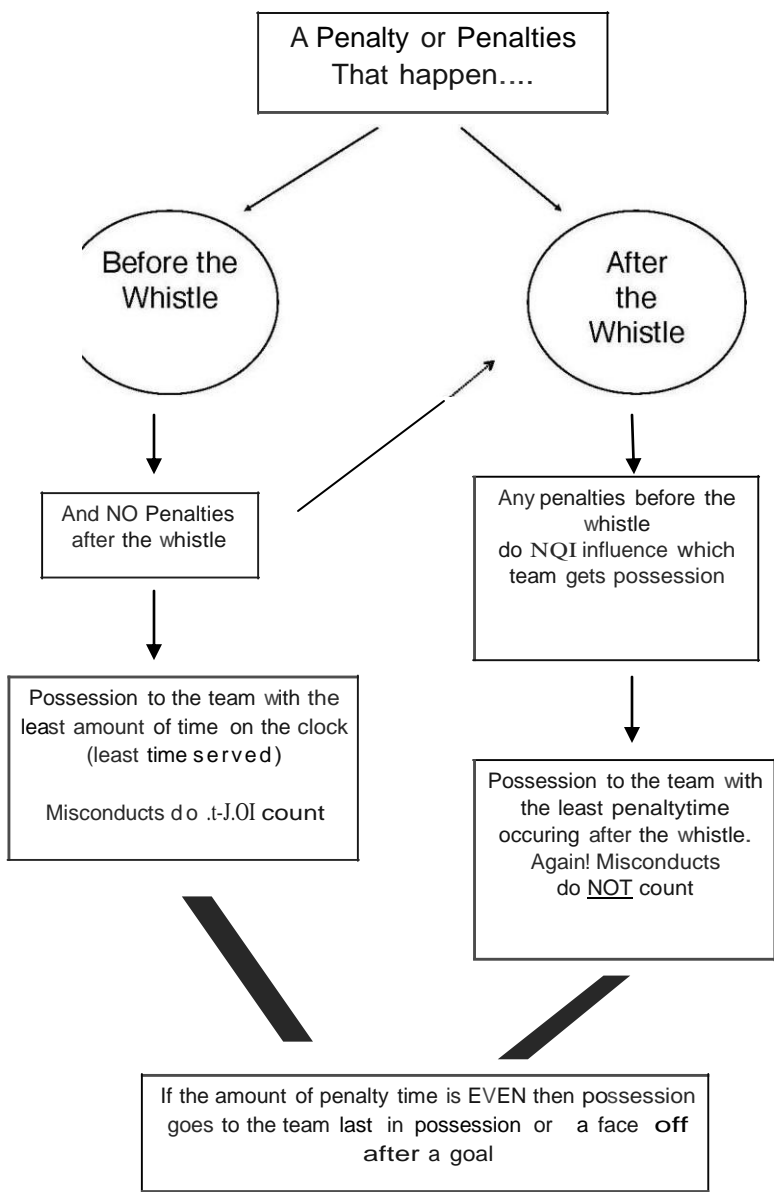

A Instruct B1 to back up 2.75m (9'). If B1 refuses to back off assess a minor penalty to him/her for delay of game. Play restarts with possession to Team A.

SITUATION 4 – Rule 75

Situation	Who gets possession/How do we re-start play?
Team B has the ball inside the offensive zone. Referee has a delayed penalty against A1. The ball comes out of the offensive zone. The referee blows his whistle and asses a minor penalty to A1.	Team B

- (b) Bench minor penalties require the removal of any player on the offending team (other than the designated goalkeepers) without substitute for two minutes, unless terminated early by a goal.
- (c) If a team is short-handed due to one or more minor or bench minor penalties and the opposing team scores, the penalty that made the team short-handed at the time of the goal shall terminate.
- (d) When minor or major penalties to two players of the same team terminate at the same time, the Captain of that team shall inform the Referee/Game Timekeeper which player shall return to the floor first.

ALL SITUATIONS ARE TIME RUNNING DOWN

SITUATION 1 – Rule 76c

? How is play restarted after a penalty?

A The Referee who is not reporting the penalty(ies) shall retrieve the ball. The Referee who is reporting the penalty(ies) shall restart play at the centre of the floor and he/she shall ensure that everyone on the floor knows where the ball is prior to restarting play.

SITUATION 2 – Rule 76c

? What is the call if the following situation happens?

A1 minor at 10:00
B1 minor at 9:50
A2 minor at 9:40
B scores at 9:00

A A2 returns to the floor.

SITUATION 3 – Rule 76c

? What is the call if the following situation happens?

A1 minor at 10:00

B1 minor at 9:30

A2 minor at 9:30

B scores at 9:00

A A1 returns to the floor.

SITUATION 4 – Rule 76d

? What is the call if the following situation happens?

A1 minor at 10:00

B1 minor at 10:00

A2 minor at 10:00

B scores at 9:00

A Captain of A has option of A1 or A2 returning.

SITUATION 5 – Rules 76c & 77e

? What is the call if the following situation happens?

A1 two minors at 10:00

B1 minor at 10:00

A2 minor at 9:00

a) B scores at 8:30

b) B scores at 8:00

A

a) A2 returns.

b) A1 and B2 return.

NOTE: The player that returns to the floor is the first player to make the team short-handed at the time of the goal.

SITUATION 6 – Rules 76c & 84a

? What is the call if the following situation happens?

A1 minor at 10:00

A2 minor at 9:30

A3 minor at 9:00

B1 minor at 9:00

B scores at 8:00

A A1 and A3 return to the floor.

NOTE: A1 returns as his/her penalty ended at 8:00. A3 penalty is not considered coincidental with B1 as they did not start at the same time thus refer to Situation 2.

SITUATION 7 – Rule 76c

? What is the call if the following situation happens?

A1 two minors at 10:00

B1 minor at 10:00

A2 major at 9:00

B scores at 8:30 and 7:30

A At 8:30 one goal comes off the major to A2.

? What is the call if the following situation happens?

Player A1 receives a 5 minute major for slashing at 13:30 of the first period.

Player A1 takes an unsportsmanlike penalty at 12:30 of the first period.

A If there are 2 goals before 8:30, team A is allowed to substitute for A1 from the players' bench but the substitute must proceed to the penalty bench and serve A1's minor. A2 is allowed out when the minor terminates. A1 is allowed out on first dead ball after 5 minutes plus the actual length of the minor (early goal will shorten the total 7 minutes).

If no 2 goals, the minor starts at 8:30 and can be served by A1 since he/she has served the entire 5 minutes of the major.

RULE 77 – MAJOR PENALTIES

- (a) Major penalties require the removal of the offending player (other than the designated goalkeepers) without substitute for five minutes.
- (b) If a team is short-handed due to receiving a major penalty and the opposing team scores two goals, the short-handed team is allowed to substitute for the penalized player from the bench. The penalized player shall serve the full five minutes and will return to the bench on the next dead ball following the expiration of the penalty.

NOTE: *A dead ball is defined as a stoppage for a face-off, a penalty or a time out. A turnover for a 10-second call, a 30-second call, an out of bounds call or another possession type call does not constitute a dead ball.*

- (c) Any player/goalkeeper who receives a second major penalty in the same game shall be assessed a game misconduct penalty. A substitute player shall serve the major penalty(ies) without charge. If a goalkeeper is assessed a major penalty under this rule, time must be served by any player (other than the designated goalkeepers).
- (d) When a player/goalkeeper is assessed a non-coincident major penalty and one or more minor penalties, the minor penalty shall be served first. When a player/goalkeeper is assessed a non-coincident major penalty and another player/goalkeeper on the same team is assessed a minor penalty at the same time, the minor penalty shall be served first. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

NOTE: *When applying Rules 77, 78, 79, 80 and 81 the following shall apply: Where a player has been sent to the dressing room, the intention is that a substitute is only required to serve penalties that caused the team to play short-handed (i.e. time served penalties).*

ALL SITUATIONS ARE TIME RUNNING DOWN

SITUATION 1 – Rule 77a

? What happens when a major penalty is assessed?

A For a "Major Penalty" in any game the offender shall be ruled off the floor for (5) minutes during which time no substitute shall be permitted.

If two goals are scored on the penalized team, the penalized team may place a player on the floor from the players' bench to get back to even strength. The offender shall serve the full (5) minutes and will return to

the floor on the next dead ball following the expiration of his/her penalty. The Game Timekeeper will sound the horn.

Definition of a "DEAD BALL" - A dead ball occurs when play is stopped for a face-off, a penalty or a time out. A TURNOVER for a 10 second call, a 30 second call, an out of bounds call or another possession type call DOES NOT CONSTITUTE A DEAD BALL.

SITUATION 2 – Rule 77

? Can the Referee send penalized players to the dressing room near the end of a period?

A In cases where players have coincidental major or ten-minute misconduct penalties that carry into the next period or end of the game, the Referee at his/her discretion may send these players to the dressing room.

SITUATION 3 – Rule 77d

? What is the call if the following situation happens?

A1 major at 10:00

B1 minor at 10:00

A2 minor at 10:00

B scores at 9:00

A One goal comes off the major.

NOTE: When a major and a minor are assessed at the same time to different players on the same team the minor is served first. In this case A2's minor would be offset by B1's minor.

SITUATION 4 – Rule 77d

? Two penalties are assessed to team A. If team B scores on the play, which penalty would be served if:

a) A1 was assessed a minor and a major?

b) A1 was assessed a major and A2 was assessed a minor?

A The proper call is:

- a) The goal would cancel A1's minor and the major would be served.

If the major is terminated early by goals, team A is allowed to substitute for A1 from the players' bench. A1 would have to sit in the penalty bench until the first dead ball after he/she had served 5 minutes

- b) The goal would cancel A2's minor and the major would be served.

NOTE: Third major penalty in the same game will receive a 2nd game misconduct.

SITUATION 5 – Rule 77b

? What is the call if the following situation happens?

Player A1 receives a 5 minute major for slashing at 13:30 of the first period.

Player A1 takes an unsportsmanlike penalty at 12:30 of the first period.

A If there are 2 goals before 8:30, team A is allowed to substitute for A1 from the players' bench but the substitute must proceed to the penalty bench and serve A1's minor. A2 is allowed out when the minor terminates A1 is allowed out on first dead ball after 5 minutes plus the actual length of the minor (early goal will shorten the total 7 minutes).

If no 2 goals, the minor starts at 8:30 and can be served by A1 since he/she has served the entire 5 minutes of the major.

RULE 78 – 10-MINUTE MISCONDUCT PENALTIES

- (a) Ten-minute misconduct penalties require the removal of the offending player (other than the designated goalkeepers) for ten minutes. A substitute shall be permitted immediately. The player shall remain in the penalty bench until the first dead ball after the misconduct has expired. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

- (b) When a player/goalkeeper is assessed a minor/major penalty and a ten-

minute misconduct penalty at the same time, a substitute player shall serve the minor/major penalty. The player's ten-minute misconduct penalty shall commence when the minor/major penalty terminates. The goalkeeper penalties shall be served by two players who were on the floor at the time of the infraction, one to serve the minor/major and one to serve the ten-minute misconduct after the minor/major expires.

- (c) Any player/goalkeeper who receives a second ten-minute misconduct penalty in the same game, shall be assessed a game misconduct penalty.

NOTE: For the following situations:

A1 2, 2, 2, 2, 10: means that A1 was assessed a 10-minute misconduct with four previous minors. All penalties except the last were received earlier in the game.

SITUATION 1 – Rule 78c

? What is the call if the following situation happens?

A1 2, 10, 2, 2, 10

A A1 receives an automatic game misconduct for being assessed a second 10-minute misconduct. No substitute is required to serve the 10-minute misconduct.

RULE 79 – GAME MISCONDUCT PENALTIES

Game misconduct penalties require the removal of the offending player/goalkeeper for the remainder of the game. Any other penalties incurred by the player/goalkeeper shall be served by another player. Time served penalties shall be served by any player (other than the designated goalkeepers).

A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. Ten minutes shall be charged in the records against any players/goalkeepers assessed game misconduct penalties. Players/goalkeepers or non-playing personnel who receive a game misconduct penalty, shall leave the arena or go to the dressing room for the balance of the game.

RULE 80 – MATCH PENALTIES

A match penalty shall be a major penalty assessed to a player/goalkeeper to be served by a substitute player. Time served penalties shall be served by any

player (other than the designated goalkeepers). A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. Any player/goalkeeper who receives a match penalty shall be suspended until the appropriate governing body rules on the incident.

SITUATION 1 – Rule 80 & 83b

? Is the 5-minute time portion of the match penalty considered a major penalty for the purpose of coincidental penalty rule?

A Yes.

<h2>RULE 81 – EXPULSIONS</h2>

- (a) Any player/goalkeeper who is assessed five penalties in the same game shall be expelled from playing the balance of the game.
- (b) Delayed penalties cancelled by goals or penalty shots shall be recorded on the official score sheet and count toward the five penalty limit.
- (c) Infractions that cause a penalty shot to be awarded that result in assessing a major penalty shall count toward the five-penalty limit.

SITUATION 1 – Rule 81a

? If a player serves a bench minor penalty does this count as one toward his/her maximum of five penalties?

A No.

SITUATION 2 – Rule 81

? Can a player who has been expelled from the game return to the players' bench in his/her street clothes? Is he/she treated as a suspended player?

A The player may not return to the bench but may return as a spectator as long as he/she is not disturbing the game. The player shall be reported if recognized as creating a significant disturbance.

SITUATION 3 – Rule 81a

? If it is brought to the attention of the Referee that a player has been inadvertently playing with five penalties, what do you do?

A Expel the player at that point and write a report on the incident. Any goals scored by that player shall be allowed.

NOTE: A substitute must serve penalty minutes associated with minor/major penalties assessed to a player/goalkeeper who is being expelled for receiving 5 penalties, unless substitution is permitted under Rule 83b.

NOTE: For the following situations:

A1 2, 2, 2, 2, 10: means that A1 was assessed a 10-minute misconduct with four previous minors. All penalties except the last were received earlier in the game.

SITUATION 4 – Rule 81a

? What is the call if the following situation happens?

A1 2, 2, 2, 2, 10

A Player A1 is expelled. No one is required to serve his/her misconduct.

SITUATION 5 – Rule 81a

? What is the call if the following situation happens?

A1 2, 2, 2, 2, 10

B1 2, 2, 2, 2, 10

A Both players are expelled. No one serves the misconducts.

SITUATION 6 – Rule 81a

? What is the call if the following situation happens?

A1 2, 2, 2, 2, 5

B1 2, 2, 5

A The teams do not play short-handed as per Rule 83b. B1 serves the full five minutes time for the major and does not leave the penalty box until the first dead ball after his/her penalty has expired and A1 is expelled from the game.

SITUATION 7 – Rules 81a & 83b

? What is the call if the following situation happens?

A1 2, 2, 2, 2, 5 GOALKEEPER

B1 2, 2, 2, 2, 5 NON-GOALKEEPER

A Goalkeeper A1 and player B1 are expelled. No one serves the coincidental majors under Rule 83b. Player A2 has to serve A1's five minutes under Rule 82(b).

RULE 82 – GOALKEEPERS' PENALTIES

- (a) A goalkeeper shall not be sent to the penalty bench for an infraction which incurs a minor, major or ten-minute misconduct penalty. Instead the penalty shall be served by a player who was on the floor at the time of the infraction. The player shall be identified by the coach through the Captain or Alternate Captain.
- (b) If a goalkeeper is expelled or receives a game misconduct or match penalty, their place shall be taken by another player or the substitute goalkeeper and any associated minor, major or ten-minute misconduct penalties shall be served by a player who was on the floor at the time of the infraction.
- (c) All penalties assessed to a goalkeeper shall be recorded on the score sheet against their name regardless of who serves them.

SITUATION 1 – Rule 82

? When a Referee is assessing a penalty to a goalkeeper, what are the duties of the other Referee?

A The other Referee should position himself/herself to mentally note the numbers of the players on the floor, one of which must serve the goalkeeper's penalty.

SITUATION 2 – Rules 82, 78 & 83

? Does a player from the penalized team have to serve coincidental penalties or ten-minute misconduct assessed to goalkeepers?

A Yes. It must be a player who was on the floor at the time of the incident.

<h2>RULE 83 – COINCIDENT PENALTIES</h2>

(a) When cancelling coincident Major/Match penalties the following procedure will be used in the order listed:

- i) Cancel as many penalties as possible.
- ii) Cancel in a way to make the team only one player short.
- iii) Cancel in a way to avoid taking another player off the floor.
- iv) Cancel using the order of penalty occurrence or in the order that the Referee reported them.

In order to apply this rule there must be at least one Major/Match penalty to each team. Cancel as many penalties as possible, including minors using the above order.

When this rule is applied unless it is a time penalty an additional player is not required to sit in the penalty box.

(b) In the case of unequal penalties with coincident majors, a substitute player shall serve the unequal minor(s) and/or major penalties, and these penalties shall be taken into account for the multiple penalty rule.

When applying the coincidental penalty rule the following three principles are to be applied:

- For major penalties assessed during one stoppage in play, cancel major for major and minor for minor on each team.
- When a choice is available as to which player's penalties shall be cancelled, the Captain of the affected team shall have the choice.
- A player will serve all penalties assessed to him/her, even if the team has put an additional player in the penalty bench to serve one or more of the penalties. The total time span of the penalties may however, be shortened by goals scored. A player whose coincidental penalties carry through to the end of a period may go to the dressing room at the discretion of the Referee.

NOTE: For the purpose of the coincidental penalty rule, the word cancel shall denote immediate substitution for, as the penalty is not actually cancelled but is served as a 10-minute misconduct.

SITUATION 1 – Rule 83b

? What is the call if the following situation happens?

A1 5 + 2

B1 5 + 2

A Immediate substitution for both players

SITUATION 2 – Rules 83b & 78b

? What is the call if the following situation happens?

A1 5 + 5 + Game

B1 5

A Immediate substitution for B1. A2 goes into the penalty bench to serve one of A1's majors. Team A is short handed for five minutes or 2 goals, at which time A2 returns to the floor. B1 serves the full five minutes time for the major and does not leave the penalty bench until the first dead ball after his/her penalty has expired and A1 is removed from the game.

SITUATION 3 – Rule 83b

? What is the call if the following situation happens?

A1 5 + 2

B1 5 + 2

A2 5 + 2

B2 5

A Team A will put an extra player in the penalty bench to serve the outstanding minor. The Captain of team A gets to choose either A1 or A2 minor to be served. A1 or A2 (whoever is chosen) would have to sit in the penalty box until the first dead ball after he/she had served 5 minutes plus the duration of the minor. The other players would have to sit in the penalty bench until the first dead ball after their penalties have expired.

SITUATION 4 – Rule 83b

? What is the call if the following situation happens?

A1 5 + 2

B1 5

A2 5

B2 5 + 2

A Immediate substitution for all players. Both teams play full strength. The players would have to sit in the penalty bench until the first dead ball after their penalties have expired.

SITUATION 5 – Rules 83b & 78b

? What is the call if the following situation happens?

A1 5 + 2 + 2

B1 5 + 2

A2 5 + 2

B2 5 + 5 + Game

A Team A puts A1, A2 and A3 in the penalty bench. Team B puts B1 and B3 in the penalty bench. A3 serves the double minor penalty. B3 serves the outstanding major. Both Team A and B play one player under strength for four minutes, A3 returns to the floor, then Team B plays one player short-handed for the remaining one minute or two goals. Players A1, A2 and B1 would have to sit in the penalty box until the first dead ball after their penalties total times have expired. B2 is expelled from the game.

SITUATION 6 – Rule 83b

? What is the call if the following situation happens?

A1 5 + 5 + Game

B1 5

B2 5

A All penalties cancel. Players B1 and B2 return to the floor following the first dead ball after expiry of their penalties. A1 is removed from the game.

SITUATION 7 – Rules 83b & 82b

? What is the call if the following situation happens?

A1 5

Goalkeeper B1 5 + 2 + 10

A Team B places two players who were on the floor at the time of the incident in the penalty bench. B2 serves the minor. B3 serves the major and misconduct after the minor has expired.

Immediate substitution for A1.

Players A1 and B3 return to the floor following the first dead ball after expiry of their penalties.

SITUATION 8 – Rule 83

? Players A1 and B1 are assessed coincident major penalties for slashing at 14:10 of the second period. At 12:40 player A1 is assessed a minor penalty for unsportsmanlike conduct. Team B scores at 11:45 and assuming there are no other goals or penalties, at what time does A1 return to the game?

A The first dead ball after 8:15. Coincident penalties or misconducts must be suspended while another player is serving a player's time penalty.

SITUATION 9 – Rule 83

? What is the call if the following situation happens?

Player A1 receives a 5 minute major for slashing at 13:30 of the first period.

Player A1 takes an unsportsmanlike penalty at 12:30 of the first period.

A If there are 2 goals before 8:30, team A is allowed to substitute for A1 from the players' bench but the substitute must proceed to the penalty bench and serve A1's minor. A2 is allowed out when the minor terminates A1 is allowed out on first dead ball after 5 minutes plus the actual length of the minor (early goal will shorten the total 7 minutes).

If no 2 goals, the minor starts at 8:30 and can be served by A1 since he/she has served the entire 5 minutes of the major.

SITUATION 10 – Rules 83a & 85a

? What is the call if the following situation happens?

A-1 has possession of the ball. B-1 receives a delayed penalty. Play has been stopped by the referee's whistle and no goal is scored. After the stoppage of play A-1 receives a penalty.

A Team B is awarded possession of the ball to restart play. Being consistent with sequence of events the penalty to A-1 happened last, therefore rule 85 (a) is applied. The coincident penalty rule (83) would only be applied if both penalties occurred before the whistle or both penalties occurred after the whistle.

RULE 84 – MULTIPLE PENALTIES

- (a) If a third player/goalkeeper of any team shall be penalized while two players of the same team are serving penalties, the penalty assessed to the third player/goalkeeper shall not commence until the penalty to one of the first two players already penalized has terminated. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction. The third player shall proceed to the penalty bench and may be replaced by a substitute.
- (b) When the multiple penalty rule is in effect, none of the affected penalized players may return to the playing floor until a dead ball (see Rule 77 Note), provided however, that the Game Timekeeper shall permit the return to the playing floor in the order of expiry of the penalties, a player(s), when by reason of the expiration of the penalties, the penalized team is entitled to have more than four players on the playing floor.

- (c) In the case of multiple penalties, when the penalties of the two players of the same team terminate at the same time, the Captain of that team will designate to the Referee/Game Timekeeper which player shall return to the playing floor first.

SITUATION 1 – Rule 84a & b

? What is the call if the following situation happens?

A1 minor at 10:00

A2 minor at 9:30

A3 minor at 9:00

Team B scores at 8:00

A A1 returns as his/her penalty has expired. A2 returns as his/her penalty is cancelled by the goal. A3 penalty starts at 8:00.

SITUATION 2 – Rule 84a & b

? What is the call if the following situation happens?

A1 minor at 10:00

A2 minor at 10:00

A3 minor at 9:30

What happens at 8:00 with no stoppage in play?

A A1 or A2 (captain's choice) can return to the floor as only one penalty remains and the team is entitled to have 5 players on the floor. The other player must wait until either there is a dead ball or 6:00.

NOTE: When two players are assessed penalties at the same time and a third player of the team is assessed a penalty, the Referees should be aware that one player may return to the floor while two players are still in the penalty bench. This situation may be mistaken for too many players on the floor.

SITUATION 3 – Rule 84a & b

? What is the call if the following situation happens?

A1 major at 10:00
A2 two minors at 9:45
A3 minor at 9:30

Assuming no stoppages in play, who comes on the floor at 5:00? What happens if the wrong player comes on and his/her team scores?

- A** The players return to the floor in order of expiry of their penalties. At 5:00, A1's penalty expires, but A2's penalty expired at 5:45 thus A2 returns. If A1 returns and team A scores, disallow the goal.

RULE 85 – CALLING OF PENALTIES

- (a) Should a penalty occur by a player/goalkeeper of the team in possession of the ball or while the ball is loose, play shall be stopped immediately and the penalty assessed to the offending player/goalkeeper. Play shall restart with possession to the non-offending team. If the infraction occurred during a stoppage in play, the penalty shall be assessed and play shall restart with possession to the non-offending team. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.
- (b) Should a penalty occur by a player/goalkeeper when his/her opposing team is in possession of the ball, except for checking in the crease, the Referee shall signify the calling of a penalty by raising his/her non-whistle hand straight up in the air, and on completion of the play, stop play and assess the penalty. Play shall restart with possession to the non-offending team. A goalkeeper penalty shall be served by a player who was on the floor at the time of the infraction.

NOTE: *Completion of the play shall mean:*

- (i) *The ball has come into possession and control of an opposing player/goalkeeper.*
 - (ii) *A shot or an attempted shot has been taken.*
 - (iii) *The ball proceeds loose out of the zone.*
 - (iv) *Any reason that would have normally caused a stoppage in play.*
- (c) Should infractions occur that require coincident minor or coincident major penalties, play shall be stopped immediately and the penalties assessed to the offending players/goalkeeper. Play shall restart with the team that was in possession of the ball at the time of the infractions, retaining possession.

If the infractions occurred during a stoppage in play, the penalties shall be assessed and the team that was being awarded possession (if applicable) would be awarded possession to restart play. If penalties are simultaneous, possession shall be awarded to the team with the lesser total time served penalties time.

- (d) If a goal was scored during a delayed penalty by the non-offending team, the penalty shall be recorded on the score sheet. If the team scored on was not short-handed, the goal shall count toward the delayed penalty. If the team scored on is short-handed, the goal shall count toward the penalty that made the team short-handed at the time of the goal and the delayed penalty shall be assessed in the normal manner.
- (e) If during a delayed penalty and before play is stopped, the ball shall enter the goal of the non-offending team as a direct result of an action of a player/goalkeeper of that team, the goal shall be allowed. The delayed penalty shall be assessed in the normal manner.
- (f) If during a delayed penalty, the defensive team commits a second infraction, play shall be stopped immediately and the appropriate penalties assessed. Play shall restart with possession to the non-offending team.

SITUATION 1 – Rule 85a b c & f

? When and where does play start with possession being awarded after a penalty call?

A Possession is awarded to the non-offending team at the centre of the floor except in the case of multiple penalties, in which case possession shall be awarded to the team with the lesser total time served penalty minutes.

SITUATION 2 – Rule 85

? What is the call if a delayed penalty is signaled against A1 by Referee 1? A1 then commits a second infraction that Referee 2 signals as a delayed penalty. Team B scores on the delay. Team A claims the goal should not count as play should have been stopped when the second delayed penalty was signaled.

A The goal is allowed as this interpretation is only used to prevent injury. If the goal has been scored the potential injury has passed.

RULE 86 – PENALTY SHOTS

- (a) In cases where a penalty shot has been awarded for fouling a player/goalkeeper, the player/goalkeeper who has been fouled shall take the penalty shot. If by reason of injury or penalty for retaliation, the player/goalkeeper designated to take the penalty shot is unable to do so, the shot may be taken by a player/goalkeeper who was on the floor at the time of the infraction.
- (b) One Referee shall place the ball on the centre face-off spot and when ready, start the penalty shot with a whistle. Once the ball has been carried by the player into the attacking zone, it shall be kept in motion toward the opponent's goal line. No goal can be scored on a rebound and once the ball has crossed the goal line, the shot shall be considered complete.
- (c) The goalkeeper/player who is defending against the penalty shot shall remain inside the goal crease until the player/goalkeeper shooting the penalty shot has picked up the ball and entered the attacking zone.
- (c) If the defending goalkeeper/player commits an infraction during the penalty shot that would not have resulted in a penalty, the shot shall be repeated.

If the infraction would normally have resulted in a major or match penalty, the penalty shall be assessed in the normal manner. If a goal is scored on the penalty shot, the goal shall count toward the major penalty or

APPENDIX C – CHAMPIONSHIPS/AWARDS

THE MANN CUP

The Mann Cup was presented by the late Sir Donald Mann, builder of the Canadian Northern Railway, for the Senior Amateur Championship of Canada and was originally a challenge cup. It is a gold cup and is one of the most valuable trophies in sport.

In September, 1925, when the Canadian Lacrosse Association was organized and uniform rules adopted for all competing teams, the Mann Cup was turned over to the C.L.A. by the New Westminster Club who held the trophy at that time. It was then placed into annual competition, with the series alternating from east to west.

THE MIKE KELLY MEMORIAL (C.L.A.)

A medal presented by Gene Dopp, is given to the player selected by the sports writers as the most valuable to his/her team during each Mann Cup Series

THE MINTO CUP

The Minto Cup is a beautiful silver cup donated by Lord Minto on May 31, 1901, for competition among the Lacrosse teams in the Dominion. Lord Minto was Governor General of Canada at the time. The amateur status of the competition continued until 1904.

The cup was placed under control of trustees and in possession of C. A. Welsh, of New Westminster, B. C., the last surviving trustee. When he died, the present Lord Minto of England, whose father donated the cup, was informed of the circumstances. He officially transferred the Minto Cup to the care and management of the Canadian Lacrosse Association, who placed it into competition for the Junior Championship of Canada.

The Duke and Duchess of York (later King George V and Queen Mary) were present at the first game played for the Minto Cup between the Capitals of Ottawa, and Cornwall in 1901.

When the Minto Cup was originally placed into Junior competition in 1937, All-Star teams were built around Provincial Championship teams. This

practice was soon discontinued and in 1960 the trophy became emblematic of the Canadian Junior “A” Championship.

JIM MCCONAGHY MEMORIAL AWARD (C.L.A.)

In 1963, Les Gilmour donated a medal in recognition of Jim McConaghy’s long and faithful contribution to the game of Lacrosse. It is presented to the outstanding player during each Minto Cup Series. Since 1990, Josten’s Canada Limited has donated a 10K gold ring as the award.

JIM BISHOP MEMORIAL AWARD (C.L.A.)

Awarded at the Minto Cup, an individual is honoured for the qualities of leadership, sportmanship and outstanding play. In 1999, the Canadian Lacrosse Association, in conjunction with the Bishop family and the Canadian Lacrosse Foundation inaugurated this award in honour of Jim Bishop one of the greatest coaches ever to grace the game. Jim Bishop’s involvement in Lacrosse spanned some 58 years influencing and developing players from tykes to professional.

THE PRESIDENT’S CUP

The President’s Cup is in honour of the CLA President and recognizes the contributions of all Past Presidents of the C.L.A. This beautiful silver trophy was donated to the CLA in September 1964 by Mr. K.G. Thompson.

The President’s Cup is emblematic of Canadian Champions at the Senior “B” level.

THE FOUNDERS TROPHY

Competition for National Championship in the Junior “B” classification was initiated by the CLA in September, 1964. A silver cup donated by Castrol Oils Limited served as the winner’s trophy but was retired to the Canadian Lacrosse Hall of Fame, New Westminster, B.C in 1972.

In 1972 the Canadian Lacrosse Association inaugurated the Founders Trophy as emblematic of the Junior “B” Championship of Canada. This beautiful handcrafted unique trophy commemorates the founders of organized Lacrosse, particularly the contributions of “The Father of Organized Lacrosse”, Dr. George W. Beers of Montreal, Quebec who wrote the first rulebook and in 1867 was instrumental in organizing the National Lacrosse Association, predecessor to the Canadian Lacrosse Association.
