

2015-2016 Team BC - Field Lacrosse U18/U15/U13 Provincial Teams and Travel Program

Team BC - Field Lacrosse is a program designed with two primary factors in mind. The objective of this Team BC Program is to assemble and develop a U18 and a U15 team to compete successfully in the Canadian National Field Championships. And, Team BC wants to provide exposure to college and university coaches for players at the U18, U15 and U13 age groups for their pursuit of scholarships to attend post-secondary institutions in both the US and Canada.

Team BC - U18 and U15 will compete in the National Field Lacrosse Championships that will be held over the Labour Day weekend in 2016, location to be determined shortly. Team BC - U13 will once again attend a showcase event in San Diego in January 2016 and new this upcoming year, the U18 team will also compete in a Showcase Event in Del Mar California while the U15 team will attend a scouting tournament in the US in November 2016.
